

TreeMendous 2007

ConocoPhillips sponsors an annual program that gives 1,000 trees to residents of Anchorage. Each year over 2,000 people submit an application to Parks and Recreation. The applications will be found in the “Play” section of the Anchorage Daily News on Friday April 6th. To receive a tree you must submit your application in time for the drawing. Trees are given to applicants by lottery and the tree pick up will be held on May 19th in the Conoco Phillips atrium. Selected applicants will be notified of which tree they will receive and when they need to pick their tree up.

Tree experts from the community will be on hand to help with any questions you may have.
