

Municipality of Anchorage
Planning Department
Memorandum

Date: March 14, 2025
To: Reviewing Agencies
Subject: PZC Case No. 2025-0025, Official Streets and Highway Plan (OS&HP) Update, Phase 1 — Request for Public Comments

The Planning Department is seeking comments on the attached draft ordinance, which will update the functional classifications for a short list of key streets and roads in Anchorage and one in Girdwood.

The streets and roads on this list have been recommended for a change to their functional classification based on feedback from the municipal departments of Traffic Engineering and Project Management & Engineering. These classification changes will allow more flexibility for ongoing or upcoming projects and allow municipal investments in the right-of-way to align better with community needs and priorities.

Your comments will be submitted to the Planning and Zoning Commission for a public hearing scheduled for **Monday, May 5, 2025, at 6:30 p.m. in the Assembly Chambers of the Z.J. Loussac Library, 3600 Denali Street, Anchorage.** Recommendations from the Commission will be forwarded to the Assembly.
