**3. Land Acknowledgement**

A land acknowledgement is a formal statement recognizing the Indigenous people of a place. It is a public gesture of appreciation for the past and present Indigenous stewardship of the lands that we now occupy. It is an actionable statement that marks our collective movement towards decolonization and equity. The Public Naming Commission would like to acknowledge that we gather today on the traditional lands of the Dena'ina Athabascans. For thousands of years the Dena'ina have been and continue to be the stewards of this land. It is with gratitude and respect that we recognize the contributions, innovations, and contemporary perspectives of the upper Cook Inlet Dena'ina.
