MUNICIPALITY OF ANCHORAGE
ORDINANCE No. 2017-170

WHEREAS, the best interest of the citizens and property owners in the Municipality of Anchorage, Alaska (the “Municipality”) require the Municipality to acquire two new ambulances, upgrade transit facilities, upgrade infrastructure and undertake bus stop improvements and school safety zone improvements (the “Projects”), and

WHEREAS, in order to provide financing for the Projects, it is deemed necessary and advisable that the Municipality issue and sell its general obligation bonds in the principal amount of not to exceed $4,908,000 (the “Bonds”); now, therefore,

THE ANCHORAGE ASSEMBLY ORDAINS:

Section 1. Purpose. The Assembly hereby determines that the Projects are needed throughout the Municipality. The Assembly of the Municipality hereby determines that the best interest of the residents and property owners within the Municipality require the Municipality to undertake the Projects at the time and in the order and in the manner deemed most necessary and advisable by the Municipality. The estimated cost of the Projects, including incidental costs and costs related to issuing and selling the Bonds as provided in this ordinance, is estimated to be $4,908,000.

The Projects are described in more detail in the attachment to the Assembly Memorandum accompanying this ordinance. The cost of all necessary planning, acquisition of property for, site preparation, construction, installing and equipping of the Projects, architectural, engineering, design, and other consulting services, inspection and testing, administrative expenses, costs of issuance of the Bonds (hereinafter defined) and other costs incurred in connection with the Projects shall
be deemed to be costs of the approved Projects. The approved Projects may be completed with all necessary equipment and appurtenances.

The Municipality shall determine the application of available moneys as for the Projects so as to accomplish, as nearly as may be, the Projects described or provided for in this section.

If the Municipality shall determine that it has become impractical to accomplish any portion of the approved Projects by reason of changed conditions or needs, incompatible development or costs substantially in excess of those estimated, the Municipality shall not be required to accomplish such portions and shall apply Bond proceeds as set forth in this section.

If the approved Projects have been completed in whole or in part, or their completion duly provided for, or its completion found to be impractical, the Municipality may apply Bond proceeds or any portion thereof to other Municipality public safety and transit capital improvements at its sole discretion. Otherwise, the Municipality shall apply such remaining proceeds solely to payment of principal or interest on the Bonds, as provided in the Home Rule Charter. In the event that the proceeds of sale of the Bonds, plus any other monies of the Municipality legally available, are insufficient to accomplish the approved Projects, the Municipality shall use the available funds for paying the cost of those portions of the approved Projects deemed by the Municipality most necessary and in the best interest of the Municipality. No Bond proceeds shall be used by the Municipality for any purpose other than a capital improvement of the Municipality.

For the purpose of providing funds for the undertaking of the Projects, which are hereby found to be a public purpose and in the public interest, the Municipality hereby proposes to issue general obligation bonded indebtedness in an amount not to exceed Four Million Nine Hundred Eight Thousand Dollars ($4,908,000) (the “Bonds”).

**Section 2. Details of Bonds.** The Bonds shall be sold in such amounts and at such time or times as deemed necessary and advisable by the Assembly and as permitted by law and shall mature over a period of up to 20 years from date of issue. The Bonds shall be issued in an aggregate principal amount of not to exceed $4,908,000. The Bonds shall bear interest to be fixed at the time of sale or sales thereof. The exact form, terms, conditions, contents, security, options of redemption, and such other matters relating to the issuance and sale of said Bonds as are deemed necessary and advisable by the Assembly shall be as hereinafter determined and/or delegated by ordinance and/or resolution of the Assembly.

The full faith and credit of the Municipality is pledged for the payment of the principal of and interest on the Bonds, and ad valorem taxes upon all taxable property in the Municipality shall be levied without limitation as to rate or amount to pay the principal and interest on the Bonds when due.
Section 3. Ballot Proposition. The Assembly hereby submits to the qualified electors of the Municipality the proposition of whether or not the Municipality should issue the Bonds for the purpose of financing the costs of the approved Projects at the regular municipal election to be held on April 3, 2018.

The Clerk shall prepare the ballot proposition to be submitted to the voters as provided by this ordinance and the Municipal Code and shall perform all necessary steps in accordance with law to place this proposition before the voters at the regular election. The proposition must receive an areawide majority vote of those in the Municipality voting on the question to be approved. The proposition shall be substantially in the following form:
