General Obligation Bonds: These are bonds approved by voters of the Municipality of Anchorage and carry the full faith, credit, and taxing power of the Municipality. The payment of principal and interest (debt service) on General Obligation Bonds is assessed to each property owner depending on the location of that property and the use of those bonds. General Obligation Bonds are used for the purchase or construction of capital assets. General Purpose Bonds: These bonds are General Obligation Bonds issued for non-school capital (infrastructure) acquisition purposes. \*School Bonds: These bonds are General Obligation Bonds issued for educational capital (infrastructure) acquisition purposes. Currently the State of Alaska pays approximately 56% of the debt service payments on Anchorage School Bonds. Such payments are subject to yearly legislative appropriation.
