PROPOSITION NO. 11

**BEAR VALLEY LIMITED ROAD SERVICE AREA (LRSA) AUTHORIZATION FOR A
MAXIMUM MILL LEVY OF 2.25 MILLS FOR MAINTENANCE OF ROADS AND
SNOW PLOWING**

This proposition would authorize a 0.75 mill increase to the existing maximum mill rate in the Bear Valley LRSA of 1.50 mills, exclusively for maintenance of roads and snow plowing. Subject to this maximum mill rate, the Bear Valley LRSA Board of Supervisors will determine the actual mill rate each year. If approved, Bear Valley LRSA property owners may pay up to a maximum 2.25 mills for maintenance of roads and snow plowing, beginning with tax year 2026. If the full 0.75 mill increase is levied, property owners within the Bear Valley LRSA would incur an increase in property taxes of approximately \$75 per \$100,000 of taxable assessed value beginning in tax year 2026.

The roads affected are all within the Bear Valley LRSA. The intent of this proposition is to provide additional local funding for road and drainage maintenance. Local tax funding is almost exclusively the funding source for road and drainage maintenance. The additional tax funds will provide a more predictable and reliable revenue stream to reduce long-term road maintenance costs, maintain year-round drivable roads, and alleviate any unsafe road environment.

Shall a maximum mill levy of 2.25 mills be set for the Bear Valley Limited Road Service Area, expressly for maintenance of roads and snow plowing, effective retroactive to January 1, 2026? (AO 2025-138)

PROPOSITION NO. 12

**NEW STREET LIGHT SERVICE AREA TO OPERATE AND MAINTAIN THE EXISTING
AND FUTURE STREET LIGHTS IN THE EAGLE BLUFF ESTATES SUBDIVISION**

Shall a new street light service area be created, designated as the Eagle Bluff Estates Street Light Service Area (SLSA), not presently in the Eagle River Street Light Service Area (SLSA), to operate and maintain existing and future street lights within the Eagle Bluff Estates Subdivision, retroactively as of January 1, 2026?

If the creation of the Eagle Bluff Estates SLSA is approved, the new street light service area will be automatically consolidated with the Eagle River SLSA. The maximum mill rate in the Eagle River SLSA is 0.5 mills.

Property owners within the Eagle Bluff Estates Subdivision will incur an increase in their property taxes to pay the operation and maintenance of the street lights in the Eagle Bluff Estates SLSA beginning with tax year 2026. (AO 2025-140)
