RE: Recall Petition 2021-4

Dear Ms. Foster:

The recall petition you submitted on November 9, 2021, regarding recalling Assembly Member Allard, is determined to meet the requirements of AS 29.26.260. The Municipal Clerk's Office has relied upon the Municipal Attorney's opinion that the recall proposed in the application satisfies the legal standards required for recall. The Municipal Attorney's opinion is attached.

The Municipal Clerk's Office verified that the application's two contact persons and at least 10 sponsors are qualified voters of the Municipality.

In accordance with AS 29.26.270, a Master Form of the Recall Petition has been prepared for you and will be issued tomorrow, November 18, 2021. You may pick up the petition between 8:00 a.m. and 5:00 p.m. at the Election Center (see address above). Please note the following:

- In order for this recall to be placed on a ballot before the voters of Assembly District 2, the recall petition must contain at least **2,530** signatures of voters residing in Assembly District 2. This number is 25% of the votes cast in the April 7, 2020 election for Assembly Seat C.
- Tomorrow, 500 petition pages will be available for pick-up, sufficient to gather 3,500 signatures. Should you desire additional petition pages, an additional 400 pages will be provided free of charge. Any pages over 900 will be provided at a cost of \$0.30 per page.
- The signatures must be collected within 60 days of issuance of the petition, by **January 17, 2022**. All signatures must be submitted at the same time. The Clerk's Office will not accept serial submittal of signature pages.
- Signatures may only be collected by petition sponsors. Current petition sponsors are yourself, Kerry Brown, and 14 of the 16 people who signed the petition application.

Signer Amy Novotney's signature could not be verified, so Amy Novotney is not authorized to be a sponsor and collect signatures. Signer Jared B. (illegible name) is not a municipal voter, so Jared B. is not authorized to be a sponsor and collect signatures. **Additional sponsors may be added at any time before the petition is filed by submitting the name of the sponsor to the clerk, using the form provided with this letter.**

- Signatures shall be in ink or indelible pencil and shall be collected only on the petition pages provided by the Clerk's Office.
- The Clerk's Office will verify all signatures received on the petition. Illegible signatures that are not accompanied by a legible residence shall be rejected.

A decision by the Municipal Clerk on an application for a recall petition is subject to judicial review by direct appeal to the Superior Court of the State of Alaska. Failure to appeal the Municipal Clerk's decision within 30 days from the date the Municipal Clerk distributes the decision shall constitute a waiver of the right of appeal. (See AMC 2.50.030C and AS 44.62.560.)
