PROPOSITION NO. 7
APPROVING AN AMENDMENT TO PROVIDE A MAXIMUM MILL LEVY OF 1.80 MILLS FOR THE MOUNTAIN PARK / ROBIN HILL RURAL ROAD SERVICE AREA (RRSA) FOR YEAR-ROUND ROAD MAINTENANCE AND REPAIR, AND AMENDING ANCHORAGE MUNICIPAL CODE SECTION 27.30.360 TO CONFORM WITH THIS CHANGE, EFFECTIVE RETROACTIVE TO JANUARY 1, 2022.
If this proposition is approved, the existing maximum mill rate in the Mountain Park / Robin Hill RRSA, 1.30 mills, will increase to 1.80 mills, an increase of 0.50 mill. Property owners within the Mountain Park / Robin Hill RRSA may incur an increase in property taxes of up to $50 per $100,000 assessed value beginning in tax year 2022.
The affected roads are all within the Mountain Park / Robin Hill RRSA. The intent of this proposition is to provide additional local funding for road maintenance and repair. State and Federal grant funds have been reduced for local road service areas, and local tax funding has become the primary funding source for road maintenance and repair, and for improvements to drainage systems. The additional tax funds will provide a predictable and reliable revenue stream for road maintenance and repair. Subject to this maximum mill rate, the RRSA Board of Supervisors will determine the actual mill rate each year.
Shall a maximum mill levy of 1.80 mills be set for the Mountain Park / Robin Hill Rural Road Service Area (RRSA) for year-round road maintenance and repair, effective retroactive to January 1, 2022? (AO 2022-3(S))
