Proposition A

$2,490,000 - Anchorage Civic and Convention Center Bond

Shall the Municipality of Anchorage issue up to $2,490,000 in capital improvement bonds to pay for the construction of a new civic and convention center in Anchorage? The bond proceeds would pay for the construction of a new civic and convention center in Anchorage. The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-29(S) as amended)

Proposition B

$3,490,000 - Eagle River-Chugiak Parks and Recreation - Fire Protection and Related Capital Improvement Bonds

Shall Anchorage issue up to $3,490,000 through the issuance of general obligation bonds to pay costs of acquiring property, designing and constructing fire stations and related fire protection capital improvements and increase the municipal tax cap by an annual amount not to exceed $417,709? The bond proceeds would pay a portion of the costs of purchasing, equipping, constructing and improving the area wide Emergency Operation Center, the purchase/refurbishing of ambulances, public safety site restoration and related capital improvements. The increase in the municipal tax cap would pay for associated annual operations and maintenance costs of the capital improvements. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 area wide assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $2.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $2.48 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-51)

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2003 assessed valuation) an annual increase in taxes of approximately $23.61 to retire the proposed debt. The debt will be paid from real and personal property taxes levied and collected areawide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. Anchorage is currently seeking State reimbursement for payment of 70% of the principal and interest on approximately $3,700,000 of these bonds. (AO 2002-49)
Property taxes shall not be used to finance the acquisition, construction or operation of the new civic and convention center.

Shall a special economic development room tax of four percent (4%) dedicated to financing a new civic and convention center be added to the existing hotel-motel room tax beginning January 1, 2003?

If revenue bonds for construction of a new convention center are not issued prior to January 1, 2008, this special economic development room tax shall automatically expire on such date and the taxes collected from this special tax but not used as dedicated shall be deposited in the MOA Trust fund. (AO 2002-48(S) as amended)

Shall Anchorage borrow up to $3,490,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $417,700? The bond proceeds would pay a portion of the costs of purchasing, equipping, constructing and improving the areawide Emergency Operations Center, the purchasing/refurbishing of ambulances, public safety site restoration and related capital improvements.

The increase in the municipal tax cap would pay for associated annual operations and maintenance costs of the capital improvements. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $2.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.36 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-51)

Shall Anchorage borrow up to $7,200,000 through the issuance of general obligation bonds to pay the costs of acquiring property for, designing and constructing fire stations and related fire protection capital improvements and increase the municipal tax cap by an annual amount not to exceed $960,000 to pay for associated annual operations and maintenance costs?

The proposed capital improvements would be located within the Anchorage Fire Service Area. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in the Anchorage Fire Service Area): (i) an annual increase in taxes of approximately $3.87 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $27.02 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Fire Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-25(S) as amended)

Shall the Municipality of Anchorage borrow up to $960,000 through the issuance of general obligation bonds to pay costs of equipping and constructing fire stations, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $6,500 to pay for associated annual operations and maintenance costs?

The proposed capital improvements would be located within the Eagle River-Chugiak Parks and Recreation Service Area. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in the Eagle River-Chugiak Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $4.50 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.59 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugiak Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-26(S) as amended)
PROPOSITION E

Voter approval of this bond proposition authorizes for each $100,000 of assessed real and personal property value (based on the estimated 2002 assessed valuation) an annual increase in taxes of approximately $23.61 to retire the proposed bond. The debt will be paid from real and personal property taxes levied and collected area wide in Anchorage. Anchorage will also pledge its full faith and credit for payment of the debt. Anchorage is currently seeking State reimbursement for payment of 70% of the principal and interest on approximately $4,312,523 of these bonds. (AO 2002-40)
PROPOSITION A
SPECIAL ECONOMIC DEVELOPMENT ROOM TAX DEDICATED
TO FUNDING A NEW CIVIC AND CONVENTION CENTER

Shall a special economic development room tax of four percent (4%) dedicated to financing a new civic and convention center be added to the existing hotel-room room tax beginning January 1, 2003?

Property taxes shall not be used to finance the acquisition, construction or operation of the new civic and convention center.

If revenue bonds for construction of a new convention center are not issued prior to January 1, 2008, this special economic development room tax shall automatically expire on such date and the taxes collected from this special tax but not used as dedicated shall be deposited in the MOA Trust Fund. (AO 2002-48(5) as amended)

PROPOSITION B
$2,490,000 - AREAWIDE EMERGENCY OPERATION CENTER,
AMBULANCES, PUBLIC SAFETY SITE RESTORATION AND
RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $2,490,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $417,700? The bond proceeds would pay a portion of the costs of purchasing, equipping, constructing and improving the areawide Emergency Operations Center, the purchasing/refurbishing of ambulances, public safety site restoration and related capital improvements.

The increase in the municipal tax cap would pay for associated annual operations and maintenance costs of the capital improvements. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 areawide assessed valuation in Anchorage): (i) an annual increase in taxes of approximately $2.74 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.36 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected areawide within Anchorage. Anchorage will also pledge its full faith and credit for payment of the bonds. PROPOSITION E
$1,600,000 • LORE ROAD BALL FIELDS
(REPLACEMENT FIELDS FOR SIMONIAN LITTLE LEAGUE)
CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $1,600,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $15,000? The bond proceeds would pay costs of acquiring property for, developing, and constructing ball fields and related capital improvements and the increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

A 'yes' vote causes the ball fields to be built on the south side of Lore Road (replacement fields for Simonian Little League).

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03)(b)(2) of approximately $0.10 to pay for annual operations and maintenance costs related to the proposed capital improvements. PROPOSITION D
$960,000 - EAGLE RIVER-CHUGAIIK PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall the Municipality of Anchorage borrow up to $960,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $6,500 to pay for associated annual operations and maintenance costs?

The proposed capital improvements would be located within the Eagle River-Chugaiik Parks and Recreation Service Area. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Eagle River-Chugak Parks and Recreation Service Area) (i) an annual increase in taxes of approximately $4.50 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03B(2)) of approximately $0.50 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugak Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-26($) as amended)

PROPOSITION E
$1,600,000 • LORE ROAD BALL FIELDS
(REPLACEMENT FIELDS FOR SIMONIAN LITTLE LEAGUE)
CAPITAL IMPROVEMENT BONDS
Shall Anchorage borrow up to $1,600,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $15,000? The bond proceeds would pay costs of acquiring property for, developing, and constructing ball fields and related capital improvements and the increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

A 'yes' vote causes the ball fields to be built on the south side of Lore Road (replacement fields for Simonian Little League).

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately 0.10% to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AC 2002-29(S·1) as amended)

PROPOSITION 3

$34,730,000 • ANCHORAGE ROADS AND DRAINAGE SERVICE AREA ROAD, STORM DRAINAGE AND RELATED CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $34,730,000 through the issuance of general obligation bonds and increase the municipal tax rate by an amount not to exceed $73,100?

The bond proceeds would pay for roadway improvements, drainage collection, and related capital improvements in the Anchorage Roads and Drainage Service Area and the increase in the municipal tax rate would pay the associated annual operations and maintenance costs.

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the precedent 2002 assessed valuation in the Anchorage Roads and Drainage Service Area): (i) an annual increase in taxes of approximately $23.58 to retire the proposed bonds, and (ii) an annual increase in the municipal tax rate (Charter 14.033(2)(c)) of approximately $0.54 to pay for annual operations and maintenance costs related to the proposed capital improvements.

The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Roads and Drainage Service Area. Anchorage will also pledge its full faith and credit for payment of the debt. (AC 2002-23(S))

CHARTER AMENDMENT

DEFINING THE MOA TRUST FUND AS AN ENDOWMENT FUND AND IMPLEMENTING A CONTROLLED SPENDING POLICY FOR FUTURE ANNUAL DIVIDENDS

Shall Section 13.11 of the Anchorage Municipal Charter be amended to read as follows: (capital letters in brackets are deletions of existing language and underlined letters are new language)

Section 13.11 Trust Fund

(a) When a municipal owned utility is sold pursuant to section 16.02 of this Charter, the proceeds shall be used to:

(1) Retire the debt of that utility;

(2) Retire other municipal debt deemed appropriate by the assembly;

(3) Establish a trust fund with the balance of the proceeds.

(b) The trust fund shall be defined as an endowment fund, with a controlled spending policy limiting dividend distribution and managed by the municipal treasurer under chapter 6.70 of the Municipal Code with the following stipulations:

(1) The corpus, or a portion of the corpus, of this trust shall be maintained perpetually as an endowment. Any use of the corpus, or a portion of the corpus, separate from the controlled spending policy of the endowment, may only be used for purposes approved by a majority of the voters voting on a ballot proposition in a regular or special election;

(2) Under the endowment's controlled spending policy, an annual dividend may be appropriated by the assembly provided that the amount appropriated does not exceed 5% of the average asset balance of the trust (THE EARNINGS OF THE TRUST FUND WILL BE AVAILABLE FOR APPROPRIATION BY THE ASSEMBLY ONLY AFTER THE FUND HAS BEEN ADJUSTED FOR AVERAGE ANNUAL INFLATION);

(2) The fund shall be invested and managed in accordance with chapter 6.70 of the Municipal Code, as amended.

Proposition A

Special Economic Development Room Tax Dedicated to Funding a New Civic and Convention Center

Shall a special economic development room tax of four percent (4%) be added to the existing hotel-motel room tax beginning January 1, 2003? If revenue bonds for construction of a new convention center are not issued prior to January 1, 2008, this special economic development room tax shall automatically expire on such date and the taxes collected from this special tax but not used as dedicated shall be deposited in the MOA Trust Fund. (AO 2002-48(S) as amended)

☐ YES  ☐ NO

Proposition B

$3,690,000 - Areawide Emergency Operation Center, Ambulances, Public Safety Site Restoration and Related Capital Improvement Bonds

Shall Anchorage borrow up to $3,480,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $417,707? The bond proceeds would pay a portion of the costs of constructing, equipping, and improving the Areawide Emergency Operations Center, the purchasing/refreshing of ambulances, public safety site restoration, and related capital improvements. If revenue bonds for construction of a new convention center are not issued prior to January 1, 2008, this special economic development room tax shall automatically expire on such date and the taxes collected from this special tax but not used as dedicated shall be deposited in the MOA Trust Fund. (AO 2002-48(S) as amended)

☐ YES  ☐ NO

Proposition C

$7,200,000 - Anchorage Fire Service Area Fire Protection and Related Capital Improvement Bonds

Shall Anchorage borrow up to $7,200,000 through the issuance of general obligation bonds to pay the costs of acquiring property for, designing and constructing fire stations, and related fire protection capital improvements and increase the municipal tax cap by an annual amount not to exceed $429,000 to pay for associated annual operations and maintenance costs?

☐ YES  ☐ NO

Proposition D

$960,000 - Eagle River-Chugiak Parks and Recreation Service Area Capital Improvement Bonds

Shall the Municipality of Anchorage borrow up to $960,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $8,500 to pay for associated annual operations and maintenance costs?

☐ YES  ☐ NO
PROPOSITION E
$1,600,000 - LORE ROAD BALL FIELDS
(REPLACEMENT FIELDS FOR SIMONIAN LITTLE LEAGUE)
CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $1,600,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $15,000? The bond proceeds would pay costs of acquiring property for, developing, and constructing ball fields and related capital improvements and the increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

A 'yes' vote causes the ball fields to be built on the south side of Lore Road (replacement fields for Simonian Little League).

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(3)(2)) of approximately $0.10 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AC 2002-29(S-1) as amended)

Shall Section 13.11 of the Anchorage Municipal Charter be amended to read as follows: (capital letters in brackets are deletions of existing language and underlined language are new language.)

Section 13.11 Trust Fund
(a) When a municipal owned utility is sold pursuant to section 16.02 of this Charter, the proceeds shall be used to:
(1) Retire the debt of that utility;
(2) Retire other municipal debt deemed appropriate by the assembly;
(3) Establish a trust fund with the balance of the proceeds.
(b) The trust fund shall be defined as an endowment fund and be under the controlled spending policy limiting dividend distributions and managed by the municipal treasurer under chapter 6.70 of the Municipal Code with the following stipulations:
(1) The corpus, or a portion of the corpus, of this trust shall be maintained in perpetuity as an endowment. Any use of the corpus, or a portion of the corpus, separate from the controlled spending policy of the endowment, may only be used for purposes approved by a majority of the voters voting on a ballot proposition in a regular or special election;
(2) Under the provisions of a controlled spending policy an annual dividend may be appropriated by the assembly provided that the annual appropriation does not exceed 5% of the average asset balance of the trust fund.
EARNINGS OF THE TRUST FUND WILL BE AVAILABLE FOR APPROPRIATION BY THE ASSEMBLY ONLY AFTER THE FUND HAS BEEN ADJUSTED FOR AVERAGE ANNUAL INFLATION.

## PROPOSITION E

$1,600,000 • LONE ROAD BALL FIELDS
(REPLACEMENT FIELDS FOR SIMONIAN LITTLE LEAGUE)

**CAPITAL IMPROVEMENT BONDS**

Shall Anchorage borrow up to $1,600,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $10,000? The bond proceeds would pay costs of acquiring property for, developing, and constructing ball fields and related capital improvements and the increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

A 'yes' vote causes the ball fields to be built on the south side of Lore Road (replacement fields for Simonian Little League).

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated 2002 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(b)(2)) of approximately $0.10 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AC 2002-29(S-1) as amended)

PROPOSITION D
$950,000 - EAGLE RIVER-CHUGAUK PARKS AND RECREATION SERVICE AREA CAPITAL IMPROVEMENT BONDS

Shall the Municipality of Anchorage borrow up to $950,000 through the issuance of general obligation bonds to pay costs of equipping and constructing park improvements, recreational facilities, trail upgrades and related capital improvements and increase the municipal tax cap by an annual amount up to $6,500 to pay for associated annual operations and maintenance costs?

The proposed capital improvements would be located within the Eagle River-Chugach Parks and Recreation Service Area. Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Eagle River-Chugach Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $4.50 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Charter 14.03(b)(2)) of approximately $0.36 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt on these bonds shall be paid from real and personal property taxes levied and collected within the Eagle River-Chugach Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AO 2002-26(5) as amended)

PROPOSITION E
$1,600,000 - LONG ROAD BALL FIELDS
(REPLACEMENT FIELDS FOR SIMONIAN LITTLE LEAGUE)
CAPITAL IMPROVEMENT BONDS

Shall Anchorage borrow up to $1,600,000 through the issuance of general obligation bonds and increase the municipal tax cap by an annual amount not to exceed $15,000? The bond proceeds would pay costs of acquiring property for, developing, and constructing ball fields and related capital improvements and the increase in the municipal tax cap would pay for associated annual operations and maintenance costs.

A 'yes' vote causes the ball fields to be built on the south side of Lore Road (replacement fields for Simonian Little League).

Voter approval of this bond proposition authorizes for each $100,000 of assessed taxable property value (based on the estimated total 2002 assessed valuation in the Anchorage Parks and Recreation Service Area): (i) an annual increase in taxes of approximately $0.93 to retire the proposed bonds, and (ii) an annual increase in the municipal tax cap (Chapter 14.03(Y)2) of approximately $0.10 to pay for annual operations and maintenance costs related to the proposed capital improvements. The debt shall be paid from real and personal property taxes levied and collected within the Anchorage Parks and Recreation Service Area. Anchorage will also pledge its full faith and credit for payment of the bonds. (AC 2002-29(S-1) as amended)

CHARTER AMENDMENT - DEFINING THE MOA TRUST FUND, EXPANDING THE CONTROLLED SPENDING POLICY, AND IMPLEMENTING A CONTROLLED SPENDING POLICY FOR FUTURE ANNUAL DIVIDENDS
Shall Section 13.11 of the Anchorage Municipal Charter be amended to read as follows: (capital letters in brackets are deletions of existing language and underlined letters are new language.)
Section 13.11 Trust Fund
(a) When a Municipal owned utility is sold pursuant to section 16.02 of this Charter, the proceeds shall be used to:
(1) Retire the debt of that utility;
(2) Retire other municipal debt deemed appropriate by the Assembly;
(3) Establish a trust fund with the balance of the proceeds.
(b) The trust fund shall be defined as an endowment fund with a controlled spending policy limiting dividend distributions and managed by the municipal treasurer under chapter 6.70 of the Municipal Code with the following stipulations:
(1) The corpus, or a portion of the corpus, of this trust shall be maintained in perpetuity as an endowment. Any use of the corpus, or a portion of the corpus, separate from the controlled spending policy of the endowment, may only be used for purposes approved by a majority of the voters voting on a ballot proposition in a regular or special election;
(2) Under the endowment's controlled spending policy an annual dividend may be appropriated by the assembly provided that the annual appropriation does not exceed 5% of the average asset balance of the trust (THE EARNINGS OF THE TRUST FUND WILL BE AVAILABLE FOR APPROPRIATION BY THE ASSEMBLY ONLY AFTER THE FUND HAS BEEN ADJUSTED FOR AVERAGE ANNUAL INFLATION).
