

# MARIJUANA CULTIVATION FACILITY UTILITY LETTER

(Complies with AMC 21.03.105c.3.b.iv – Approved 4/2016)

Applicant: \_\_\_\_\_ Business: \_\_\_\_\_

Email Address: \_\_\_\_\_ Contact Number: \_\_\_\_\_

Service Address: \_\_\_\_\_

Subdivision: \_\_\_\_\_ Lot: \_\_\_\_\_ Block: \_\_\_\_\_

Existing Service Size (Amps): \_\_\_\_\_ Single-phase or 3-phase? \_\_\_\_\_

Required Service Size (Amps): \_\_\_\_\_ Single-phase or 3-phase? \_\_\_\_\_

Monthly Peak Demand (kW): \_\_\_\_\_ Monthly Usage (kWH): \_\_\_\_\_

The Applicant is aware that new facilities and modifications on Chugach's existing system require full payment, permits, surveys, design work and easement acquisition before construction can begin. Depending on the project scope and time of year, the design and construction process can take anywhere from several weeks to several months. Chugach is not responsible for verifying information associated with applicant's equipment or load requirements.

This portion for Chugach use only: Updated 5/10/2016

Given the above information, Chugach Electric Association, Inc. (Chugach) has determined:

- The power capacity at this location is sufficient for the intended use without any additional work from Chugach.
- The power capacity at this location is currently not sufficient, but can be upgraded. Chugach requests that completing the upgrade be a condition of receiving the special land use permit from the Municipality of Anchorage.
