

Highlights of Municipality Actions on Homelessness, 1983-2018

- **1983:** Using a federal development grant, and with the assistance of the Anchorage utilities and the Anchorage Assembly, the land and a building were developed for a permanent structure for the Brother Francis Shelter on Post Road. See www.adn.com/alaska-life/2016/09/23/brother-francis-shelter-marking-35-years-of-caring-pauses-to-remember-its-beginnings/
- **2002:** Municipality of Anchorage commits to provide a 2.2-acre site for long-term use for the new Brother Francis Shelter
- **2011:** Mayor Sullivan hires a homeless coordinator position, creates the Mayor's Homeless Leadership Team (HLT), and works with the Assembly to enable the development of larger-scale Housing First projects, like RuralCap's Karluk Manor (for individuals with chronic dependencies), and to authorize Cold Weather Plan to allow churches and other approved facilities to act as temporary, cold weather shelters
- **2015:** Anchorage Community Plan to Prevent and End Homelessness is created by the HAND Oversight Subcommittee on Homelessness, Anchorage Coalition to End Homelessness, and Municipality Department of Health & Human Services Planning Committee with the guiding principle that housing is a basic human right and the goal to provide a strategic vision aimed at addressing homelessness in Anchorage over the next five years
- **2016:** Assembly establishes Assembly Committee on Homelessness (later named the Committee on Housing and Homelessness)
- **2016:** Mayor Berkowitz works with Assembly to pass AR 2016-179 to create a Housing and Homeless Services Coordinator to provide coordination to reduce impediments to fair housing by working with Municipal departments and external partners to develop additional permanent supportive housing, homeless services, and other strategies to eliminate homelessness in Anchorage; the position is paid for with a grant from the Alaska Mental Health Trust
- **2017:** Mayor Berkowitz works with Assembly to pass AR 2017-211 to create a Chief Housing Officer to help meet the community goal of producing 900 housing units per year to fill Anchorage's housing shortage; the position is paid for from 2017-2020 with a grant from the Rasmuson Foundation
- **2017:** Municipality partners with health agencies to open preventative health care and recovery support services at Brother Francis Shelter. See www.cssalaska.org/our-programs/brother-francis-shelter/medical-care-brother-francis-shelter/
- **2018:** Individual Assembly members and members of Assembly Committee on Housing and Homelessness join 75 organizations and over 700 community members to create the Anchored Home plan to solve homelessness in Anchorage
- **June 12, 2018:** Assembly passes resolution declaring policy of dispersed placement in the Anchorage Bowl of services and programs for homeless persons to reduce the burden on Fairview and Downtown neighborhoods and shift to smaller service locations citywide (AR 2018-167, As Amended)
- **November 2019:** Assembly approves \$730,000 for shelter as part of the Anchorage Health Department budget, marking the first time there are recurring MOA operational funds for shelter

2020

- **March 24, 2020:** Mayor Berkowitz and Assembly fund \$5.4M for the Home for Good pilot program, an intensive supportive housing initiative
- **2020:** Voters approve Proposition 13, authorizing a 5% sales tax on alcohol sales, to create a steady funding stream for programs to prevent and address problems associated with substance misuse and the lack of mental and behavioral health services, including housing programs
- **Spring 2020:** COVID-19 hits and heightens the existing shortage of emergency shelters. The Municipality converts the Sullivan and Boeke Arenas to emergency shelters, creating 560 temporary spaces for adults, and contracts partners to open spaces for families with children
- **April 28, 2020:** Assembly passes a resolution requesting the Administration to issue notices and clear significant prohibited encampments to reduce the spread of COVID-19; the resolution reinforces the municipality's policy that permanent, supportive housing is the preferred, long-term solution for many individuals experiencing homelessness, and that camping in public places often runs counter to that goal (AR 2020-149, As Amended)
- **2020:** Anchorage Assembly and Mayor Berkowitz utilize \$37M in federal relief funds through the CARES Act in AR 2020-221, As Amended, EO 2020-04(S1) and AR 2020-271(S), As Amended on housing programs:
 - \$23M for Rental and Mortgage Assistance Relief Program for grants to landlords and mortgage holders, landlord liaison support, and legal services for individuals impacted by COVID-19
 - \$1M Covenant House expansion to increase affordable housing units and shelter
 - \$1M for Rapid Rehousing program
 - \$2.5M for RuralCap Weatherization Jobs Program to fund home weatherization and mobile home repair and help put unemployed, underemployed, or furloughed workers back to work.
 - \$600K to Abused Women's Aid in Crisis, Inc. (AWAIC) for expansion of emergency shelter for victims of domestic violence as current space has been reduced due to impacts from COVID-19
 - \$500K for Risk Pool Insurance Program for Private Landlords
 - \$300K for Nine Star's Net-2-Ladder Project
 - \$7,400,000 in additional rental and mortgage assistance on 12/8/20 (AR 2020-426)
 - \$700,000 in additional rapid rehousing program funds on 2/23/21 (AR 2021-047)
- **July 2020:** Mayor Berkowitz and Assembly utilize CARES Act and proceeds from the ML&P sale in AO 2020-66(S), As Amended to authorize \$22.5M for acquisition of Beans Café for a downtown homeless engagement center, Tudor Alaska Club for a midtown shelter and engagement center, Golden Lion Hotel for a treatment center, and America's Best Value Inn as housing with a resource center. The deals on the Alaska Club and America's Best Value Inn later fall through and are not completed
- **September 29, 2020:** Assembly adopts the Anchored Home plan as the municipal's guiding document for homeless response and appropriations (AO 2020-338, As Amended); while the plan had been in use by the community for several years, the COVID-19 emergency response revealed that the Municipality was using the plan in its response, but had not yet formally adopted it
- **2020:** Anchorage Coalition on Homelessness and partners prioritize improving data reliability in the Homeless Management Information System (HMIS), the central database for homeless services to ensure accurate capturing of data and effective use of the data for planning and decision-making; the Anchorage Assembly supports that work by committing over \$300,000 to the project
