PROPOSED AMENDMENT <input checked="" type="checkbox"/> INCREASE <input type="checkbox"/> DECREASE <input type="checkbox"/> NEUTRAL

Department: Library

Amount: \$125,000, Recurring

Description of amendment:

This amendment appropriates \$125,000 to the Library's operating budget to make an annual grant to the Anchorage Library Foundation. It would be similar to how Anchorage Park Foundation and AEDC get funds through department budgets.

For over thirteen years, the Library funded a development director to raise private funds through the Anchorage Library Foundation for Library capital projects and new initiatives, raising over \$45M in funds during that time. In 2021, the Library changed their staffing model and eliminated the Development Director. This amendment would provide for an annual operating grant to the Anchorage Library Foundation so they can assume that role of fundraising to continue to bring in millions of dollars in private funding to the Library. Without a strong partnership with a fundraising entity, the Library stands to lose millions of dollars, which will further the burden placed on property taxpayers to fund Library projects and will limit the services and experiences the Library can offer the community.

Amendment #1 to AO 2022-87 2023 Operating Budget - Alcohol Tax Program

Submitted by: Assembly Members Volland and Zaletel

PROPOSED AMENDMENT INCREASE DECREASE NEUTRAL

Department: Anchorage Health Department & Legislative Branch

Amount: \$250,000

Description of amendment:

This amendment creates a new “bucket” in the Alcohol Tax Program that separates mental health and substance misuse from homelessness and appropriates as detailed below. This amendment starts with a dedicated funding amount of \$250,000 with an intention to increase this bucket one-time at first quarter and later operationalize an increase as part of the Alcohol Tax continuation budget to bring it in line with the other buckets. The current proposed amount is revenue neutral to not take away from other identified areas in 2023.

Line	Department	Description	Recurring (R) / One-time (1)	Amount
1		<u>Substance Misuse & Mental Health</u>		
2	Health	Substance misuse workforce development grant to Recover Alaska	1	100,000

Amendment #2 to AO 2022-87 2023 Operating Budget - Alcohol Tax Program

Submitted by: Assembly Member Rivera

PROPOSED AMENDMENT INCREASE DECREASE NEUTRAL

Department: Anchorage Health Department

Amount: \$3,425,000

Description of amendment:

This amendment is brought forward as part of a unified proposal put together by various providers as part of the Homeless Prevention Response System (HPRS) as we look to strengthen and bolster the safety net for our most vulnerable.

Line items 35 and 36 are meant to support, generally, overnight shelter. This amendment is budget neutral as it delineates in a more specific fashion usage for these two line items in the proposed Alcohol Tax Program put forward by the administration in the following fashion:

Line	Department	Description	Recurring (R) / One-time (1)	Amount
1	Health	Annual contract with Brother Francis Shelter to allow them to permanently increase their capacity to 120 individuals	R	445,000
2	Health	Annual basis to continue funding the operations of the Complex Care Facility	R	1,330,000
3	Health	Annual basis to continue funding year-round day shelter for 50 transition age youth at the Covenant House	R	400,000
4	Health	Annual basis to continue funding the family unsheltered response through Christian Health Associates	R	550,000
5	Health	Annual basis to fund year-round outreach with the Anchorage Coalition to End Homelessness	R	700,000

PROPOSED AMENDMENT INCREASE DECREASE NEUTRAL

Department: Legislative Branch

Amount: \$250,000, One-time

Description of amendment:

This amendment appropriates \$250,000 to the Legislative Branch to fund a strategic planning process. These funds would be used to develop a strategic plan for how the MOA should allocate and use alcohol tax funds, per the three core areas. The plan would be an ongoing guiding document, followed year over year, with periodic updates or shifting of priorities in future years. It will ensure community input, transparency, and efficient use of the funds.

**TURNAGAIN COMMUNITY COUNCIL RESOLUTION 2022-06:
RESOLUTION REGARDING RANKING FOREST PARK ROADWAY SURFACE & SHOULDER
REHABILITATION, WEST NORTHERN LIGHTS BOULEVARD TO HILLCREST DRIVE,
AS HIGHEST PRIORITY FOR TURNAGAIN 2023 CAPITAL IMPROVEMENT PROJECTS**

WHEREAS, the Turnagain Community Council (TCC) is an all-volunteer, self-governing neighborhood organization recognized in the Municipality of Anchorage Charter; and

WHEREAS, the purpose of community councils is to provide a direct and continuing means of citizen participation in government and local affairs; and

WHEREAS, Forest Park Drive (FPD), from Hillcrest Drive to West Northern Lights Boulevard, is classified a neighborhood street; and

WHEREAS, FPD is an important north-south neighborhood route for local residents; students attending West High School and Romig Middle School; bicyclists and pedestrians traveling to and from trails and other local destinations; and

WHEREAS, there is a regular and consistent pattern of non-motorized users along both sides of FPD, but the street's narrow lanes, lack of amenities and safety features, and eroding pavement along the shoulders pose ongoing safety concerns, with risk of collisions and injuries; and

WHEREAS, in 2013 property owners in the West/Romig neighborhood, TCC, Anchorage School District and Municipality of Anchorage formed a TCC Safe Routes to Schools (SRTS) Committee, resulting in identifying nine projects that would maximize safety benefits to students and minimize impacts to property owners, and which require minimum capital improvement funds;

WHEREAS in 2014, the nine SRTS projects were incorporated into TCC's Capital Improvement Program Project Ranking list, including improvements to FPD, from Hillcrest Drive to West Northern Lights Boulevard (WNL), recommended by Municipal Traffic Engineering, entailing widening of roadway shoulders and narrowing traffic lanes (by restriping) to address safety problems;

WHEREAS, in intervening years pedestrian and bicycle use of FPD remains consistently high, but re-striping and resurfacing has been delayed, as it must be implemented with resurfacing the roadbed; and

WHEREAS, resurfacing the roadbed and shoulders, reducing and re-striping the FPD traffic lane widths, resurfacing/widening the shoulders in 2023 would offer a timely, low-cost, high-benefit value to FPD non-motorized users and the broader Turnagain community;

NOW, THEREFORE BE IT RESOLVED THAT Turnagain Community Council requests that TCC's highest-ranked 2023 Capital Improvement Program (CIP) project, Forest Park Roadway Surface & Shoulder Rehabilitation, from West Northern Lights Boulevard to Hillcrest Drive, be included in the Municipality of Anchorage 2023 CIP Projects for the bond, to include:

- 1. Resurfacing the existing 30-foot roadway surface;**
- 2. Reducing the width of current vehicle traffic lanes from 11 feet to 10 feet; and**
- 3. Increasing adjacent, paved and striped shoulder widths to improve safety for non-motorized users.**

RESOLUTION PASSED by Turnagain Community Council on this 3rd day of November, 2022.

Vote: 21 yes, 0 no, 0 abstain.

Department: Maintenance and Operations

Project Name: MOD07028, APD / General Government Fleet Vehicle Replacement

Amount: \$6,800,000

Description of amendment:

This amendment provides additional funding for APD vehicle replacement by increasing Federal Grant Revenue by \$3,200,000 for a total of \$5,200,000 and increasing Transfer from Other Funds by \$3,600,000 for a total of \$5,900,000 for FY2023.

Capital request for Anchorage Police Department Vehicle Fleet replacement. Vehicles and equipment referenced are replacements of existing fleet inventory and have met their useful lives leading to generally higher maintenance cost versus a capital refresh. Vehicles used beyond their useful lives can experience frequent down time and high maintenance cost if not replaced in a timely fashion. This also affects the ability for APD to deliver services and results in costly hourly impacts for patrol staff.
