Mission Statement: *The Assembly Health Policy Committee works with municipal and state agencies, non-profits, and private sector entities to study and make recommendations on legislative and policy matters regarding public health. Specific topics include substance misuse treatment and prevention, reduction of Anchorage's disproportionately high health care costs, health and safety regulations, and disease prevention and control.*

ANNUAL LIST OF COMMITTEE LEGISLATIVE AND BUDGET PRIORITIES

a. State Legislative Priorities:

b. Assembly Legislative Priorities:

- i. Leverage MOA resources for matching grants to catalyze long-lasting community investment
- ii. Continue meetings with Admin to get MCT/MIT to 24/7 (*Volland*)
- iii. Crisis Now updates
- iv. Integrate with the work of the Behavioral Health Community Task Force?

Budget Priorities:

Mission Statement: *The Assembly Health Policy Committee works with municipal and state agencies, non-profits, and private sector entities to study and make recommendations on legislative and policy matters regarding public health.
