

Municipality of Anchorage

Department of Solid Waste Services

MEMORANDUM

DATE: June 4, 2020

TO: Municipality of Anchorage (MOA) Assembly Members

FROM: Mark Spafford, P.E., General Manager, Department of Solid Waste Services (SWS) 

SUBJECT: Executive Summary of Waste to Energy (WTE) Technology Assessment

The attached executive summary has been prepared as part of the WTE Pre-Feasibility Report, dated September 2019 and at the request of several MOA Assembly Members. The purpose for the executive summary is to provide a concise and accurate summation of the WTE technology assessment that was completed and is specifically tailored for non-technical stakeholders. AS always, please let me know if you have any questions.
