Re: Ethics Complaint for Potential Violation 2025-05: AMC 1.15.030

Dear [REDACTED]

Thank you for submitting your ethics complaint for a potential violation of the Municipal Ethics Code. Concerned and proactive citizens are essential for integrity in government and the board of ethics appreciates the time you devoted to the complaint. The board considered your complaint at its July 17, 2025, meeting and has declined to review it further pursuant to AMC 1.15.160A.2(g) because, the "allegations, if true, fail to constitute a violation of the code of ethics."

Your complaint alleged that an assembly member violated Anchorage Municipal Code (AMC) 1.15.030 by mouthing the words "F\*\*\* You" at an assembly committee meeting and then walking out of the meeting and slamming the door, which you believed was an attempt to disrupt your public testimony. You have not identified, and the board is unaware of any specific provision in the code of ethics that this alleged conduct would violate. The provision you cited deals with the scope of the code of ethics, which does apply to elected officials. However, the provision does not specifically prohibit the alleged conduct at issue. Therefore, this is not a matter for the board to review.

Respectfully,

Municipality of Anchorage Board of Ethics
