VOTERS CAN NOW TRACK THEIR BALLOT WITH BALLOTTRAX

The Municipal Clerk's Election Team announces the launch of BallotTrax - a convenient system that allows Municipality of Anchorage voters to get updates on the status of their ballots. Once signed up on the new BallotTrax system, voters can receive email, text message, or phone call alerts, or any combination of the three, on the status of their ballots.

To sign up, voters should go to: www.anchoragevotes.com.

Notifications will be sent to voters who sign up:

- when the ballot package is mailed,
- when the ballot return envelope is mailed back (if using USPS),
- when MOA Elections receives the ballot return envelope through the mail, from a secure dropbox, vote center, and
- if the ballot return envelope is "good" and accepted for counting, or if there is an issue to be resolved.

The April 5, 2022 Regular Municipal Election is a Vote at Home election where qualified registered voters will be mailed a ballot package at least 21 days before Election Day. Voters will have the opportunity to study the ballot with trusted resources, mark their choices, read and sign the voter declaration, and return their ballot by placing it in one of 18 secure drop boxes, bringing it to an Anchorage Vote Center, or sending it through the US Mail with first-class postage.

Please contact the Voter Hotline at 907-243-(VOTE) 8683 for more information or questions about BallotTrax or the April 5, 2022 Regular Municipal Election.
