FOR IMMEDIATE RELEASE

The Clerk's Office announces a new Accessible Vote Center location at O'Malley's on the Green at 3651 O'Malley Road. The new Accessible Vote Center will be open Weekdays, March 26 – April 2, 2018, from 10:00 a.m. to 6:00 p.m. and on Election Day, Tuesday, April 3, 2018, from 7:00 a.m. to 8:00 p.m.

O'Malley's on the Green is in addition to four other Accessible Vote Centers, which are located at Anchorage City Hall, Loussac Library, the MOA Election Center, and Eagle River Town Center. Days and hours vary from location to location. For a complete list of days and hours, please visit the Accessible Vote Center interactive map at muni.org/elections/AVC for more details.

Accessible Vote Centers offer the following services, where voters can:

- Return a ballot
- Replace a lost or damaged ballot
- Receive a ballot package if they did not receive one in the mail
- Receive voting assistance
- Access help for other voter questions
- Register to vote
- Vote a questioned or provisional ballot

The Municipal Clerk's Office reminds voters that traditional polling locations will not be an option for voting on Election Day. Instead, qualified registered voters will be mailed a ballot package three weeks before Election Day. Voters will have the opportunity to study the ballot with trusted resources, mark their choices, sign the voter declaration, and return their ballot.

The Accessible Vote Centers are one of three ways voters may return their marked ballot. Voters may also return their ballot to one of the twelve Secure Drop Boxes, or they may use first class postage to mail their ballot through the United States Postal Service.
