### FOR IMMEDIATE RELEASE

The Municipal Clerk's Office announces the Loussac Library Accessible Vote Center (AVC) is open for voting. The Loussac AVC Election Officials were in training yesterday and based on the success of the training, are prepared to provide voter services earlier than anticipated. It is the first of the five AVCs to open; the remaining four AVCs open on Monday, March 26, 2018. AVC hours and locations may be found at [muni.org/elections/AVC](http://muni.org/elections/AVC).

The Loussac AVC is open today until 6:00 p.m., Saturday, March 24 from 10:00 a.m. to 6:00 p.m., and Sunday, March 25 from Noon to 5:00 p.m.

Accessible Vote Centers offer the following services, where voters can:

- Return a ballot
- Replace a lost or damaged ballot
- Receive a ballot package if they did not receive one in the mail
- Receive voting assistance
- Access help for other voter questions
- Register to vote
- Vote a questioned or provisional ballot

As has been the case in the past, voters who are voting in-person, will be required to show identification. Voters will also be required to show identification if requesting a replacement ballot in-person.

The Municipal Clerk's Office reminds voters that traditional polling locations will not be an option for voting on Election Day.

"Vote by Mail is as easy as 1-2-3!"

1. Vote your ballot, filling in the ovals completely, place the ballot in the security envelope, then place both into the ballot return envelope.
2. Sign the declaration on the back of the ballot return envelope.
3. Return your ballot with first class postage through the United States Postal Service or save postage and drop it at a Secure Drop Box or return it to an Accessible Vote Center.

Ballot return envelopes must be returned to Secure Drop Boxes or Accessible Vote Centers by 8:00 p.m. on Election Day, April 3, 2018. If mailing a ballot return envelope with first-class postage, it must be postmarked by Election Day, April 3, 2018.
