

PRESS RELEASE

ANCHORAGE ASSEMBLY COVID-19 RESPONSE PLAN

May 11, 2020
Felix Rivera, Chair

FOR IMMEDIATE RELEASE

Assembly Chair Felix Rivera announces publication of the Assembly's COVID-19 Response Plan – which begins with “together we can” work together with the Mayor, the Administration, and the public to determine how to offset the economic consequences that occurred following the recommendations public health officials to stay home, stay put, or hunker down.

Rivera stated that ,”The Anchorage Assembly has already been hard at work to blunt financial effects of COVID-19 on our community members. We passed property tax deadline extension, pushed for a moratorium on evictions, and encouraged waiving of late feed on utilities, guaranteeing no one would lose serve because of an inability to pay.”

The public is encouraged to review the attached plan, attend the series of committee meetings and worksessions that will help the Assembly better understand the local impacts of COVID-19 on individuals, families, and businesses. The meetings will all be held virtually and members of the public are welcome to attend.

For more information about the meetings or the plan, please go to the Assembly webpage at www.muni.org/assembly.
