

Resolution 2022-01

Northeast Community Council (NECC)

January 20, 2022

Assembly Reapportionment

WHEREAS, the Northeast Community Council (NECC) is the Community Council that is the voice of the people of Northeast Anchorage and includes the following boundaries:

WHEREAS, according to Census data, Northeast Anchorage has one of the most ethnically and racially diverse populations in the United States;

WHEREAS, according to Census data, the Northeast Community Council area has a population of 29,266;

WHEREAS, The target population per district is 48,541. The total deviation in actual population to target population must be less than 10% (federal law), and ideally less than 5%.

WHEREAS, Northeast Anchorage is a distinct and socioeconomically integrated area with strong neighborhood identities very different than that of Eagle River;

WHEREAS, Northeast Anchorage is home to many active-duty service members and Veterans who frequent the businesses and services provided along Muldoon Rd and near the Joint Base Elmendorf Richardson (JBER) Muldoon Rd. gate;

HALO Reapportionment Resolution
Resolution to Defend the Representation of the Hillside

WHEREAS, the HOME AND LANDOWNERS ORGANIZATION is dedicated to the advancement of issues related to living in the Hillside area of the Municipality of Anchorage. We promote the Anchorage Hillside rural way of life in a community of low density so that the character of the community experience remains; and

WHEREAS, our community is bound by the Hillside District Plan and represented by five Community Councils; and

WHEREAS, our community bond relies on our shared community experience and location. Lot size, drinking water source, nor street maintenance source are not an important factor in our community definition. Our community is linked by lifestyle, shared location, and homestead history; and

WHEREAS, the Hillside has no community connection i.e., schools, churches, parks, shared stores, coffee shops, or community activities with Eagle River; and this connection between Hillside and Eagle River is only similar to any other part of the Municipality; and

WHEREAS, the population of Eagle River far outweighs the population on the Hillside proposed to move and therefore would divide our community and not represent the residents of the Hillside; and

WHEREAS, the Anchorage Assembly must conduct Reapportionment after declaring itself malapportioned November 23, 2021, and has six months to reapportion itself and the Anchorage Assembly's Reapportionment Committee has presented ten maps for review; and

WHEREAS, Reapportionment must consider 1) Districts must be compact, contiguous and a relatively integrated socioeconomic area, 2) The principle of equal protection and "one person, one vote" must be maintained; and

WHEREAS, five of the maps remove portions of the Hillside and joins them with District 2 (Eagle River) which would remove a compact and contiguous district, and does not maintain 'one person one vote'; and

WHEREAS HALO does not support maps that divides our community citing lot size as a division in our community. We do not support bringing all or portions of Hillside into District 2; and

NOW THEREFORE be it resolved that HALO urges the Assembly to support our community identity and allow the Hillside to stay separate from Eagle River in our representation urging the support of maps that keep the Hillside in District 6.

NOW THEREFORE be it resolved that HALO supports maps that keep the Hillside Districts together in one assembly district. Maps presented which keep the lower and upper Hillside together represent our community and forms a compact, contiguous, and socioeconomic integrated district.

RE: Reapportionment of the Anchorage Hillside neighborhood

The Hillside Community Council (HCC) Board of Directors appreciates the opportunity to provide input on the process of Municipal Reapportionment. We understand that the Draft Maps are still under consideration and revision; therefore, the HCC is not endorsing a specific map at this time. Our comments in this document are specifically intended to address any Draft Maps that divide the Anchorage Hillside by removing a portion of its residents from District 6 and reapportion them into District 2 (Eagle River).

The Hillside is a cohesive, well-established neighborhood within the city of Anchorage, with many shared connections among its residents, including but not limited to schools, programs, community outreach groups, sports and neighborhood organizations, and more.

We believe that Eagle River is its own separate and unique community within the municipality, with its own specific needs and issues. Additionally, Eagle River has no common community connections with Hillside residents.

We believe that combining an estimated 12,000 Hillside residents with the population of Eagle River will produce a disproportionate district. As a result, the reapportioned Hillside residents would be unfairly underrepresented in the new district, and their Assemblyperson would likely be someone unfamiliar with their neighborhood and community's specific needs.

In addition, representatives from the Boards of HCC, Huffman/O'Malley Community Council, Rabbit Creek Community Council and the Anchorage Home and Landowners Organization (HALO) attended a District 6 Constituents' meeting on February 5th, to discuss reapportionment. All representatives in attendance expressed support for keeping the Hillside neighborhood intact, and opposed grouping a portion of the Hillside residents with Eagle River.

The HCC Board of Directors respectfully requests that the Reapportionment Committee and Anchorage Assembly keep the Hillside's cohesive neighborhood intact, and not approve or recommend a map(s) that combines a portion of the Hillside with Eagle River.

HOCC Reapportionment Resolution
Resolution to Support the South Anchorage and Hillside Community

WHEREAS, the Huffman O'Malley Community Council (HOCC) is dedicated to the advancement of issues related to living in the South Anchorage and Hillside area of the Municipality of Anchorage. We promote the character of our shared community experience and interests; and

WHEREAS, the Hillside is a well-established, cohesive neighborhood whose residents share neighborhood road connections and many common community connections; and

WHEREAS, Hillside is one neighborhood and our community is bound by the Hillside District Plan and represented by five Community Councils; and

WHEREAS, our community bond relies on our shared community experience and location. Neither lot size, drinking water source, or street maintenance source are important factors in our community definition. Our community is linked by lifestyle, shared location, close road access, and homestead history; and

WHEREAS, the Hillside has little community connection i.e., schools, churches, parks, shared stores and coffee shops, or community activities with Eagle River; and this connection between Hillside and Eagle River is only similar to any other part of the Municipality; and

WHEREAS, the population of Eagle River far outweighs the population on the Hillside proposed to move and therefore would divide our community and not represent the residents of the Hillside; and

WHEREAS, the Anchorage Assembly must conduct Reapportionment after declaring itself malapportioned. That declaration was made November 23, 2021, and the deadline is to complete activity within six months to reapportion itself. We do not understand the rush to adopt maps with little time for boundary review. Anchorage Assembly's Reapportionment Committee has presented ten maps for review on February 9th, but these maps may not be the maps under consideration. This process seems rushed; and

WHEREAS, Reapportionment must consider 1) Districts must be compact, contiguous and a relatively integrated socioeconomic area, 2) The principle of equal protection and "one person, one vote" must be maintained.

WHEREAS, five of the maps remove portions of the Hillside and joins them with District 2 (Eagle River) which would remove a compact and contiguous district, does not keep common community interests together, and does not maintain 'one person one vote'; and

WHEREAS HOCC does not support maps that divide our community citing lot size as a division in our community. We do not support bringing all or portions of Hillside into District 2.

NOW THEREFORE be it resolved that HOCC urges the Assembly to support our community identity and allow the Hillside to stay separate from Eagle River in our representation. HOCC supports maps that keep the Hillside in District 6.

NOW THEREFORE be it resolved that HOCC supports reapportioned districts which keep the lower and upper Hillside together forming a district with boundaries similar to the Hillside District Plan and with road access to support community functions and a compact, contiguous, and socioeconomically integrated district.

RABBIT CREEK COMMUNITY COUNCIL (RCCC)

A Forum for Respectful Communication & Community Relations

1057 West Fireweed Lane, Suite 100 / Anchorage, AK 99503

RESOLUTION AND COMMENTS FROM THE RABBIT CREEK COMMUNITY COUNCIL ON THE 2022 ASSEMBLY REAPPORTIONMENT PROCESS

At our February 10, 2022 meeting, the Rabbit Creek Community Council (RCCC) discussed draft maps currently under consideration for the required Assembly Reapportionment process. In doing so, the RCCC reminds the Assembly Reapportionment Committee that: legal requirements compel the Committee to create districts which are “compact and contiguous territory containing as nearly as practicable a relatively integrated socioeconomic area” (Municipality of Anchorage Code of Ordinance, Part I, Article IV, Section 4.01). By a vote of 26 yeas, 3 nays, and 1 abstention, RCCC approved the following resolution:

RESOLUTION

The Rabbit Creek Community Council:

- Affirms that the re-apportionment closely follow the legal requirements to create compact, contiguous, and socioeconomically integrated districts.
- Opposes combination of any portions of the Hillside with Eagle River.
- Emphasizes that Chugach State Park does not create contiguity between the populations of the Hillside and Eagle River, as it is uninhabited. Therefore, reapportionment maps should display it as a distinct, unpopulated area.
- Supports continued work with maps proposed by Denny Wells and Brice Wilkins that: work to keep neighborhoods intact across Anchorage; are considerate and encompassing of other Assembly member concerns; and keep the Hillside together in one district, separate from Eagle River.

JUSTIFICATION

The RCCC strongly opposes any map that would combine the Rabbit Creek and neighboring Hillside areas with Eagle River because these two distinct, separate areas are not integrated through socio-economic interactions, land use patterns, businesses, roads and traffic patterns, or schools. Additionally, these areas are neither compact nor contiguous, thus further failing to meet the requirements of Section 4.01. Travel from the Hillside to Eagle River requires traversing several intervening districts. It is inappropriate to use the large, steep, uninhabited, and in some areas or to some people inaccessible, Chugach State Park as justification to combine Eagle River and Hillside into one Assembly district.

Common issues that distinguish the Hillside from most other parts of the Anchorage Bowl include resident concerns around wildfires and high winds, on-site water and septic systems, Limited Road Service Areas, drainage, water supply and other watershed features on steep slopes. Eagle River has different watersheds, an integrated road service district, its own park district, and facilities that have little or no daily relevance to Hillside residents, including a

Community College, its own branch library, a Wal-Mart, and a central business district. The local roads, trails, and recreation areas we use throughout the Hillside are completely different from the local roads, trails, and recreation areas used by Eagle River residents; the roads we travel to schools and local shopping/businesses, as well as to destinations in Midtown and Downtown, are completely different from the roads used by Eagle River residents.

We remind the Assembly that the 2010 Hillside District Plan (HDP) defines the boundaries of the Hillside. Much thought, effort, and an iterative public process were involved throughout the development of that Assembly-approved plan. The HDP sets a strong precedent for maintaining the cohesion of the RCCC area and the larger Hillside area in one district, with no part of the Hillside combined with Eagle River.

While maintaining a low population deviation between districts is of obvious importance, it is not outlined as a consideration in Section 4.01, and therefore should not be granted more importance than the criteria that are included in Municipal ordinance. Respecting neighborhood continuity is more important than pushing for the smallest deviation in size of each Assembly district and will best achieve fair representation. We do appreciate the difficulty of this effort.

CONCLUSION

In accordance with Anchorage Municipal Ordinance and the strong precedent set by the Hillside District Plan, the RCCC area and larger Hillside of south Anchorage should remain in a single Assembly district with no part of the Hillside combined with Eagle River on the northeast side of Anchorage. Moreover, RCCC recommends that the Assembly take similar care to not split up other neighborhoods throughout Anchorage, and instead, support neighborhood continuity. The Assembly's overarching goal should be to ensure fair and effective representation for all residents.

Re: Proposed Anchorage Assembly redistricting maps

Dear Anchorage Assembly Members,

The Rogers Park Community Council has just recently become aware that the Assembly may entertain a decision on the proposed Assembly redistricting maps as soon as early March of this year. Of concern is that some maps would effectively split our Rogers Park Community Council between districts. Were that to occur it would mean that four Assembly members would be present at every meeting. That would create unnecessary repetition, inefficiency, and meeting prolongation.

It is the considered opinion of the Executive Board of the Rogers Park Community Council that the current boundaries of our council be preserved. The Rogers Park Community council has been in its current configuration for many decades, and this stability is evident as our council is recognized as a respected community council voice in Anchorage. To that end, we respectfully urge the Assembly to adopt the Weddleton V2 map which will maintain the integrity of the Rogers Park Community Council.
Thank you.

Respectfully submitted,

Pete Mjos, President
