Investing in Downtown...

Program Goals

- Enhance the downtown experience
- Support arts, culture, and creative placemaking.
- Activate underutilized public spaces
- Strengthen the downtown small business ecosystem

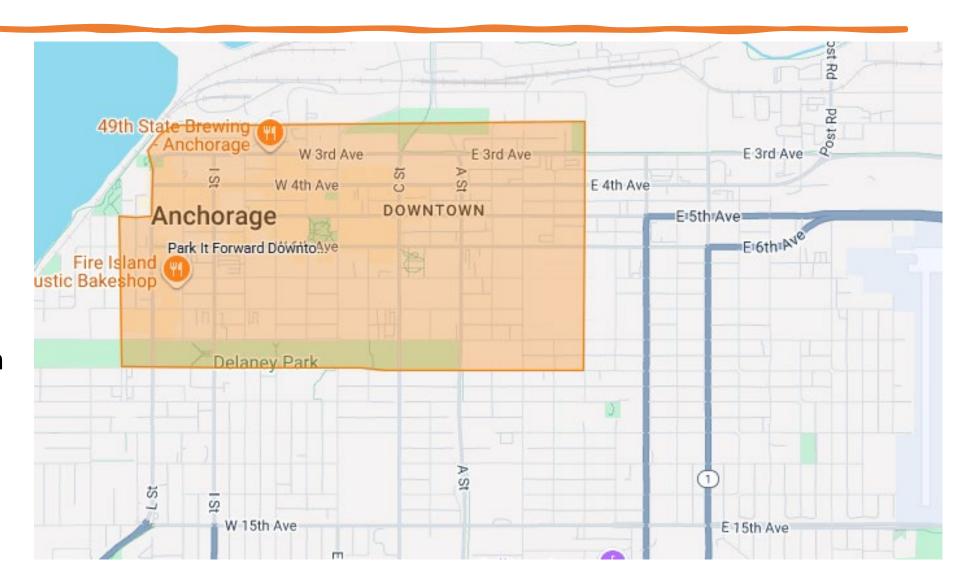

Park It Forward DOWNTOWN GRANT PROGRAM

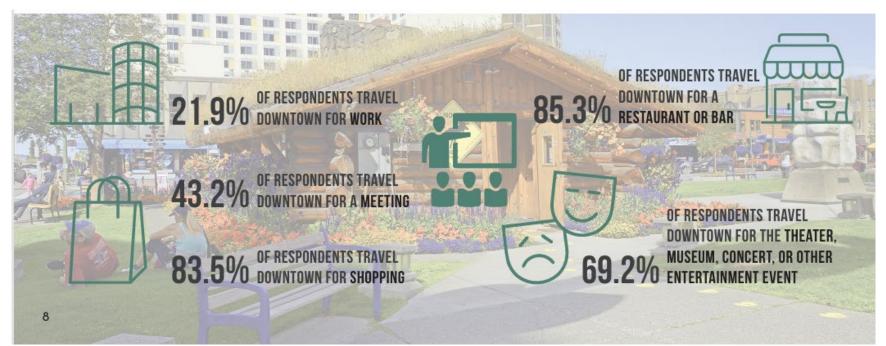

Grant open September 18 - October 9, 2025

Funding Source...

A percentage of EasyPark's on-street parking meter revenue collected within the Downtown Anchorage Parking District.

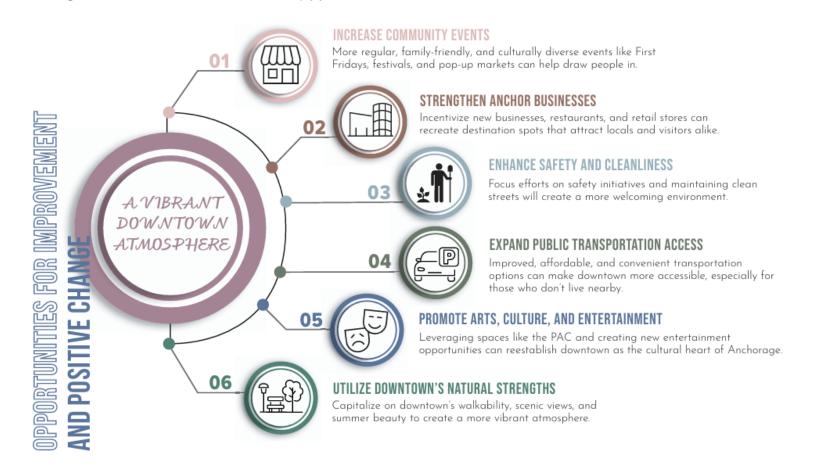

2025 Downtown Survey...

REVITALIZE DOWNTOWN ANCHORAGE

As indicated by the survey respondents, Downtown Anchorage still holds immense potential. By investing in safety, community-centered events, local businesses, and transportation, the city can transform these challenges into opportunities. A vibrant, clean, and welcoming downtown will once again be a hub for residents and visitors to enjoy year-round.

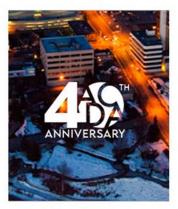

Building Our City's Future
