Fast Track Progress

- 78 enrolled in UAA programs
- 56 placed with local partners

More than 130 students on the fast track!
What’s Next?

• Goal to train up to 300 students
• 20 new students entering program
• High demand from students and business owners
• Model for future partnership with Muni of Anchorage
“It has been like winning the lottery for our students who would otherwise be unable to attend due to financial hurdles.”

-Sue Shroy, Owner of MetrOasis

“It would have been years before I was able to do this program.”

-Lindsey Harrington, Student
