

# FILLING A MAYORAL VACANCY WITH AO 2022-77

AO No. 2022-77 proposes asking Anchorage voters to decide on an amendment to the Anchorage Municipal Charter changing how vacancies on the Assembly and in the Office of the Mayor are handled. Here are some possible timeline scenarios for filling a Mayoral vacancy if the Charter amendment were to take effect:

Special Election held 90-120 days after vacancy; if a Mayoral run-off is triggered, the term of the Acting Mayor will be lengthened

Special Elected Mayor takes office 30 days after certification, serves until next Regular Election

Special Elected Mayor takes office 30 days after certification, serves the remaining term AND the next Mayoral term

Newly Elected Mayor at the Regular Election takes office on July 1 to begin serving the new mayoral term
