

Tracking Anchorage's Crisis Response

*Public Health and Safety Committee
December 18, 2025*

Goal: to support Anchorage's crisis response teams

Help track, understand, and share the
investments and initiatives across the Municipality's
Behavioral Health Crisis Response System

Monthly data snapshot

APD Dispatch Loaded Calls (2025 year to Date)

Definition: The volume of contacts received by the operator during the reporting period after receiving 911 calls and dispatching. It includes more than strictly behavioral health calls.

911, 211 and other non-emergency loaded calls

Loaded 911 Calls - All APD Dispatch Loaded 211 Calls - All APD Dispatch Loaded 211 Calls - All APD Dispatch

SOMEONE TO CONTACT

Total Loaded Calls
217,414

Loaded 211 Calls
78,814

Loaded 911 Calls
56,822

Loaded 211 Calls
81,778

Careline/988 Calls from Dispatch and Returned (2025 YTD)

Definition: The volume of contacts during the reporting period transferred to another operator for any reason.

MOA CRISIS RESPONSE SYSTEM, THEORY OF CHANGE & PERFORMANCE METRICS

OUTPUT PERFORMANCE METRICS: PHASE 1

Bracketed items are for Phase 2

SOMEONE TO CONTACT

Calls for Service (911 and 311)

- Number of calls for service from 911, 311, officer-initiated, crisis team initiated
- Number of calls sent to Careline from 911, 311, officer-initiated, crisis team initiated
- Number of calls returned from Careline

SOMEONE TO RESPOND

Mobile Crisis Teams (MCT, MIT, ASP)

- Number of encounters per month, per year, per team
- Number of unique individuals per month, per year, per team
- Housing status per encounter per team
- Disposition post mobile encounter
- Overdose rates and hotspots
- [Number of high users among teams]
- Narcan Administration for APD & AFD
- [MAT initiation and connection to care]
- [Pre-arrest diversion to treatment]

A PLACE TO GO

Crisis Stabilization/Sobering Center

- Number of admissions to Anchorage Safety Center (ASC) and daily census
- Number of unique individuals per month and per year at ASC
- Length of stay at ASC
- Location from and to for admission/discharge at ASC
- [Case management]
 - Number/percent of admissions participating in case management
 - Connections to care from case management
- [Crisis Stabilization Center admissions, 23-hour, crisis residential, by location]

OUTPUT PERFORMANCE METRICS: PHASE 1

Bracketed items are for Phase 2

SOMEONE TO CONTACT

Calls for Service (911 and 311)

- Number of calls for service from 911, 311, officer-initiated, crisis team initiated
