of Alaska

## **FY25 Impact Report**

### **July 1, 2024 - June 30, 2025**

#### **Alaska Region**

Staff and volunteers in Anchorage after a successful smoke alarm install event, making homes safer and serving the community.

From responding to home fires, winter storms, and flooding, to preparing the community for sheltering and emergency planning, the Red Cross supports the entire state of Alaska. In this large and unique geography, the American Red Cross is committed to fulfilling our mission in every corner of the state. With an amazing team of volunteers, the Red Cross provides disaster relief, CPR and first aid training, and home fire safety education including free smoke alarms and home escape plans. The Red Cross also provides comfort and care for members of the Armed Forces around Alaska.

You can count on the American Red Cross to be there when help is needed most around Alaska.

Responded to **207 disasters** statewide, providing assistance including comfort kits, financial assistance, and additional resources to **812 Alaskans**.

Supported by **475 Alaskan volunteers**, who provided disaster relief assistance, training services, preparedness, and event support.

Made **426 Alaskan homes** safer from home fires, and installed **1,096 free smoke alarms** in communities all around the state.

Enrolled **14,346 Alaskans** in CPR, AED, First Aid, water safety, and preparedness training courses online and in-person.

Provided **17,150 services** to members of the military, veterans, and their families in Alaska including emergency messaging and health & wellness.

Held the **25th Annual Real Heroes Awards** on March 25th, 2025, in Anchorage celebrating everyday Alaskans performing extraordinary acts of heroism.
