Employee Wellness at APD

A continuum of support — from prevention to post-incident care

In-House Clinician — Theresa

NEW

Hired last month for employees and their families · coordinates peer support & wellness · an immediate referral resource focused on both prevention and post-incident care

From Day One

- Emotional-intelligence training from the academy onward
- A mentor assigned to every recruit

Peer Support

- Trained peer support team
- Activated for critical incidents, compounding-trauma calls, on request & by referral

Resource App

- One place for every wellness resource — no more digging through websites
- Connect with peer supporters nationwide

Spaces & Retreats

- Two sensory rooms & two quiet rooms
- “Soldier’s Heart” weekend retreat with South Central Foundation

Treatment & Training

2 out-of-state facilities

higher-level treatment for employees

3 one-day classes in May

on-site voluntary wellness training

6 × 4-hour classes this month

mental health training
