AR NO. 98-6

**A RESOLUTION CONFIRMING AND LEVYING ASSESSMENTS FOR THE
SANITARY SEWER IMPROVEMENTS ON PROPERTY BENEFITED IN NE
TURNAGAIN LATERAL SEWER IMPROVEMENT DISTRICT NUMBER 101,
SETTING DATE OF PAYMENT AND PROVIDING FOR PENALTIES AND
INTEREST IN THE EVENT OF DELINQUENCY.**

THE ANCHORAGE ASSEMBLY RESOLVES:

SECTION 1. The lateral sewer improvements authorized in Ordinance AO 79-6 and AO 85-25 have been completed and costs for the improvements computed. Lateral and trunk sewer assessments are levied against the property benefited for said improvements as set forth on the attached assessment roll.

SECTION 2. Timely notice was sent to each property owner whose property is benefited by the improvements as indicated on the attached assessment roll. Each property owner was given notice of a public hearing to be held before the Municipal Assembly, for the purpose of giving the property owners an opportunity to present objections to the assessment roll by showing errors and inequalities in the assessment roll and submitting any reason for amendment and correction of the assessment roll for NE Turnagain Lateral Sewer Improvement District Number 101. In conformance with the notice to the property owners, the Municipal Assembly held a public meeting on April 7, 1998, to hear any objections to the assessment roll by property owners. At said hearing all errors and inequalities to which valid objections were raised were corrected and the amounts now indicated on the assessment roll are those amounts determined to be assessed. Said amounts are equal to, or less than, the direct benefit each property derives from the improvements constructed. The assessment roll has been duly certified by the Municipal Clerk.

SECTION 3. Assessments shall be paid in annual installments, in accordance with the Anchorage Wastewater Utility Tariff in effect at the time of levy. The first installment is due on November 30, 1998, and is payable on the same day of each subsequent year. Interest on unpaid installments starts to accrue on November 1, 1998. An installment payment shall be applied first to accrued interest then to principal. A penalty of eight percent (8%) shall be added to any assessment, or assessment installment, not paid before the date of delinquency. The assessment, installment and penalty shall draw interest at the rate of eight percent (8%) per annum until paid. For delinquencies, payment shall be applied in accordance with AMC 19.20.280.

SECTION 4. Within thirty (30) days after the ^{effective date} ~~passage~~ of this resolution, the Municipal Treasurer shall mail a notice to any owners of property whose

assessment, schedule of payments, delinquencies, or amount of penalty and interest has been changed as a result of the public hearing concerning this resolution. Not more than sixty (60) days nor less than thirty (30) days before the date the assessment or the first installment of the assessment becomes delinquent, the treasurer shall mail a payment notice to each property owner, but failure to mail the notice shall in no way affect the special assessment levied by this resolution.

SECTION 5. The Special Assessment Collection Charge, as authorized by AMC 19.20.265.B, and Section 7.4 of the Anchorage Wastewater Utility's Tariff, will be applied to those properties included within this resolution.

Section 6. See amendment below.
