AR NO. 98-322

**A RESOLUTION OF THE ANCHORAGE MUNICIPAL ASSEMBLY REQUESTING
THE MUNICIPAL ADMINISTRATION TO CONDUCT A MANAGEMENT AUDIT OF
THE ANCHORAGE SCHOOL DISTRICT'S CONSTRUCTION PROGRAM**

WHEREAS, some years ago, the Municipality transferred responsibility for
school construction to the Anchorage School District; and

WHEREAS, since the transfer of this function, the Assembly has had a
reoccurring interest in the School District's construction program and overall capital
spending; and

WHEREAS, given this reoccurring interest and the Assembly's responsibility for
approving the Anchorage School District's overall funding level, to include capital
spending, a management audit of the School District's construction program would be
beneficial in reviewing the District's construction management practices, and providing
recommendations for approving the efficiency and effectiveness of the District's
construction program.

NOW, THEREFORE, the Anchorage Assembly resolves:

That the Assembly requests the Municipal Administration to conduct a
management review of the Anchorage School District's construction program

PASSED AND APPROVED by the Anchorage Municipal Assembly this
6th day of October, 1998.
