SUMMARY

This bond proposition authorizes Anchorage to issue general obligation bonds in an amount not to exceed **\$463,680,000** for educational capital improvements. Voter authorization permits Anchorage to issue general obligation bonds in the principal amount of (i) \$171,150,000 in year 1999, (ii) **\$88,770,200** in year 2000, (iii) \$95,535,000 in year 2001, and (iv) **\$108,224,800** in year 2002. If the bonds are not issued in the designated year, such bonds may be issued at a later date. Approval of this bond proposition also permits Anchorage to raise the Municipal Tax Cap to pay for operations and maintenance costs related to the educational capital improvement projects.

Anchorage will issue bonds to finance the "Reimbursement Projects," as shown in the ballot proposition below, only if such "Reimbursement Projects" will qualify under the State of Alaska's program for debt reimbursement, which provides for payment of a percentage of the principal and interest on the bonds issued. Actual

1 payment for debt reimbursement from the State of Alaska is subject to annual legislative appropriations.
