MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

NO. AM 724-99

Meeting Date: August 10, 1999

From: Assembly Vice-Chair Taylor
Subject: Comp Plan - Goals and Objectives

Last year, under the leadership of Department of Community Planning and Development, a diverse group of hundreds of local citizens met together and prepared draft goals and objectives for a new Anchorage Bowl Comprehensive Development Plan. Their efforts resulted in a consensus draft which was presented to and approved by the Planning and Zoning Commission on January 21, 1999.

Consistent with the Administration's goal of completing the second phase of the Anchorage Bowl Comprehensive Development Plan by the end of 1999, the draft Goals and Objectives are presented to the Assembly for enactment at this time. This ordinance would formally enact the draft Goals and Objectives as approved by the Planning and Zoning Commission earlier this year and would provide a solid foundation and policy direction for completion of the second phase of the Plan during the next five months.

Like other ordinances, this ordinance requires a public hearing of the Assembly and can be amended by the Assembly at the request of its members or the Mayor before enactment. Enactment of this ordinance will enable the Municipality to complete the second phase of the Plan under the Mayor's timetable by allowing staff and citizen work groups to utilize the work product of hundreds of involved citizens which has already been approved by the Planning and Zoning Commission.

Approval of this ordinance is recommended
