## ASSEMBLY MEMORANDUM

No. AM 1004-99

Meeting Date: NOVEMBER 9, 1999

FROM: Mayor

SUBJECT: FY 00 Shared Fisheries Business Tax Program

The Shared Fisheries Business Tax Program was created by the Legislature in 1991. The purpose of this program is to provide for a sharing of state fish tax collected outside municipal boundaries with municipalities that have been affected by fishing industry activities.

This is the seventh year for this program. Municipalities around the state will share approximately \$1,508,683 based on 1998 fisheries activity as reported by fish processors on their fish tax returns.

Anchorage is located in the Cook Inlet Fisheries Management Area. Other municipalities located in this area are Homer, Kenai, Kenai Peninsula Borough, Kachemak, Seldovia, Seward and Soldotna. The FY 00 program total allocation to be shared within this area is approximately \$58,745. Anchorage's share is estimated to be \$27,494. The allocation methodology is: 50% divided equally between all the municipalities applying and 50% divided on a per capita basis.

To participate in this program, the municipal governing body is required to approve a resolution requesting funding using the allocation method.

THE ADMINISTRATION RECOMMENDS APPROVAL OF AR 99-325 ADOPTING THE ALLOCATION METHOD AND REQUESTING FISHERIES TAX REVENUES FOR 2000.
