MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

AM No. 359–2002	
------------------------	--

Meeting Date: April 16, 2002

From Mayor

Subject: Appropriation to Provide Home Weatherization Assistance

The Department of Health and Human Services recommends approval of the attached Resolution to appropriate One Million Four Hundred Forty-seven Thousand Six Hundred Seventy-three Dollars (\$1,447,673) as a grant amendment from the Alaska Housing Finance Corporation (AHFC) to the State Categorical Grants Fund (231) bringing the total for the two-year grant to Two Million Eight Hundred Thirty-eight Thousand One Hundred Sixty-one Dollars (\$2,838,161).

Funding will provide assistance to support weatherization of low-income family homes in the Municipality of Anchorage. The intended results of this program are to provide more energy efficient dwellings, which will reduce the energy costs of the homes. Program services include heating system inspections, testing & tuning, repair and replacement; replacement of exterior hollow core doors with energy efficient insulated steel doors and repairing/upgrading windows to meet federal cold weather standards and the national uniform building egress codes. The program installs smoke detectors and carbon monoxide detectors for health and safety. Additional insulation in walls and attics is added to reduce heat loss. Blower door testing is performed on each home to find where heat loss occurs. Caulking and the installation of weather-stripping in the heat loss areas slows air infiltration into the
