AR NO. 2002-165

2 A RESOLUTION OF THE MUNICIPALITY OF ANCHORAGE APPROVING OF  
3 THE RENAMING OF STEWART DRIVE IN GRID SW0254 TO STEWART  
4 MOUNTAIN DRIVE ELIMINATING DUPLICATION OF STEWART DRIVE NAME  
5 IN THE CHUGIAK/EAGLE RIVER AREA  
6

7 THE ANCHORAGE ASSEMBLY RESOLVES:  
8

9 Section 1. In accordance with Municipal Code 21.15.133, the Municipality of  
10 Anchorage is proposing a street name change for Stewart Drive in the Southfork area of  
11 Eagle River. Stewart Drive is a duplication of another street name located within the  
12 Chugiak/Eagle River area. In order to reduce confusion, the proposed new street name is  
13 Stewart Mountain Drive. For emergency responses, re-naming of Stewart Drive in the  
14 Southfork area would eliminate having two Stewart Drives in the same geographic area.  
15 Calls to 911 would not be put in jeopardy with response to the wrong location. This street  
16 segment is not to be confused with the main thoroughfare of the area, Hiland Road, of  
17 which Stewart Mountain Drive is a part.  
18

19 Section 2. That this resolution shall take effect immediately upon passage and  
20 approval by the Anchorage Municipal Assembly.

# Southfork Eagle River Street Name Change Proposition

**MUNICIPALITY OF ANCHORAGE**

**ASSEMBLY MEMORANDUM**

**AM NO. 464-2002**

**Meeting Date May 21, 2002**

**FROM: Mayor**

2002-165

**SUBJECT: Assembly Resolution No. AR / \_\_\_\_\_, Renaming of Stewart Drive**

The Development Services Department recommends approval of the request to change the name of Stewart Drive to Stewart Mountain Drive.

The Municipality is working on the addressing project in the South Fork Community Council area. One phase of this project is to clear up street name problems, including roads names that are duplicates of other street names within the Municipality.

This street name alteration will rename a street that is a duplicate name of another roadway within the Chugiak/Eagle River area. The street in question is Stewart Drive, a quarter-mile stretch road that is part of the Hiland Road alignment. Please see accompanying map. This stretch was officially recorded as Stewart Drive in 1971 (Plat 71-193).

Since another street by the name of "Stewart" existed in Eagle River area prior to 1971, the name Stewart Drive is not unique, and leads to confusion in site location during times of emergency. Renaming this Stewart Drive would present more of a hardship because of the existing addresses at this location. The Stewart Drive in the Southfork area is in the process of having site addresses assigned and the changing of the street name to Stewart Mountain Drive would create a unique street name for which these new site addresses could be assigned.

The Development Services Department has sent letters of this proposal to all the affected property owners fronting the street. The comment period will end on the 15th of May 2002. The Southfork Community Council supports the renaming, as does the Southfork Eagle River Volunteer Fire Department. We've also received requests from the Anchorage Police Department to rename this Stewart Drive because of the confusion it causes.

**THEREFORE, THE DEVELOPMENT SERVICES DEPARTMENT IS ASKING FOR ASSEMBLY SUPPORT FOR THE PROPOSED STREET NAME CHANGE OF STEWART DRIVE TO STEWART MOUNTAIN DRIVE.**
