ASSEMBLY MEMORANDUM

No. AM 696-2002

Meeting Date: August 6, 2002

FROM: Mayor

SUBJECT: Assembly Resolution Appropriating \$3,172,200 as a Grant from the National Oceanic and Atmospheric Administration (NOAA), When Tendered, to Fund 441, for Ship Creek Culvert Removal, Utility Relocation and Crossing Replacement, PM&E Project No. 02-01.

The Municipality of Anchorage is being awarded a grant in the amount of \$3,172,200 from NOAA for reconstruction of the Ship Creek crossing, including culvert removal, utility relocation and crossing replacement.

The culverts crossing Ship Creek, installed in the early 1970's, support a large sanitary sewer line and a petroleum line. The culverts also support the crossing access to Ship Creek small boat launch. Due to their age, the culverts are now in danger of failing, which would have serious environmental impact on the area's natural resources.

The following budget is presented for Assembly information:
