E. The total cost of the proposed water improvement is estimated at $\$ 1,572,291$. Said estimated cost will be prorated by the equal assessment methodology as delineated in the Anchorage Water Utility Tariff, as supported by sufficient and proper owners and as shown on the attached preliminary assessment roll.

## NOW THEREFORE, THE ANCHORAGE ASSEMBLY ORDAINS:

Section 1. There is established NC Monastery Water Special Assessment District 1386, consisting of the area described in paragraph " $D$ " above.

Section 2. The Municipality shall proceed with the proposed water improvements as described.

Section 3. An account shall be kept of all costs of the proposed improvements.
Section 4. After the improvements have been completed and the cost of the improvements known, the Mayor shall prepare a final assessment roll for this water special assessment district.

Section 5. The authorized percentage of the cost, or rate to be assessed against the property, shall be computed in accordance with the Anchorage Municipal Code and Anchorage Water Utility Tariff in effect at the time the assessment roll is approved by the Municipal Assembly. Costs shall be assessed to benefited property in the water special assessment district by the equal assessment method prescribed in the Tariff, such that a benefited parcel's pro rata share of the costs shall be computed by dividing the total assessed project cost by the total number of separate parcels within the water improvement district at the time of levy. Additionally, a Special Assessment Collection Charge as authorized by the Municipal Code and Water Utility Tariff will be charged annually to each active account.

Section 6. The Mayor shall cause this ordinance to be recorded in the office of the Anchorage District Recorder.

Section 7. This ordinance is effective upon passage and approval.

# MUNICIPALITY OF ANCHORAGE 

ASSEMBLY MEMORANDUM

No. AM 588-2003
Meeting Date: July 22, 2003

#### Abstract

From: Mayor Subject: CREATION OF NC MONASTERY WATER SPECIAL ASSESSMENT DISTRICT 1386.

This memorandum is in support of a creation ordinance for NC Monastery Water Special Assessment District 1386. The proposed water special assessment district is located in Chugiak, north of Lower Fire Lake, south of South Birchwood Loop, between the New and Old Glenn Highways. The estimated cost to construct this water improvement district is $\$ 1,572,291$, which includes all necessary piping and appurtenances required for an approved public water system.

This water special assessment district, benefiting fifty-nine (59) properties, was petition initiated. Property owners first voted by majority to allocate improvement district costs by an equal assessment methodology.

On a second ballot allocating estimated costs by the selected equal assessment methodology, property owners who will bear more than fifty percent (50\%) of the estimated assessable cost of the improvement voted to create this district:

| FOR CREATION: | $57.63 \%$ |
| ---: | ---: |
| AGAINST CREATION: | $15.25 \%$ |
| NONRESPONSIVE: | $\underline{27.12 \%}$ |
| TOTAL: | $100.00 \%$ |

The area served by this proposed water improvement district is presently being served by individual on-site water systems.

Informal public meetings were conducted in the Eagle River/Chugiak area for each of the two ballots referenced above. All questions asked were answered.

The passage of this ordinance will have no fiscal impact on any Municipal owned property.
THE ADMINISTRATION SUPPORTS THE NECESSARY IMPROVEMENTS IN AO 2003-110. AND RECOMMENDS THAT A PUBLIC HEARING BE SCHEDULED FOR THIS ORDINANCE.

Prepared by: Mark Premo, P.E., General Manager, AWWU
Concur: Harry J. Kieling, Jr., Municipal Manager
Respectfully submitted: George P. Wuerch, Mayor
