MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

No. AM 589-2003

Meeting Date: July 22, 2003

From Mayor

Subject: **CREATION OF NC MONASTERY LATERAL SANITARY SEWER
SPECIAL ASSESSMENT DISTRICT 1387**

This memorandum is in support of a creation ordinance for NC Monastery Lateral Sanitary Sewer Special Assessment District 1387. The proposed sanitary sewer special assessment district is located in Chugiak, north of Lower Fire Lake, south of South Birchwood Loop, between the New and Old Glenn Highways. The estimated cost to construct this sanitary sewer improvement district is \$1,714,366, which includes all necessary piping and appurtenances required for an approved public sanitary sewer system.

This sanitary sewer special assessment district, benefiting fifty-nine (59) properties, was petition initiated. Property owners first voted by majority to allocate improvement district cost by an equal assessment methodology.

On a second ballot allocating estimated costs by the selected equal assessment methodology, property owners who will bear more than fifty percent (50%) of the estimated assessable cost of the improvement voted to create this district:

FOR CREATION:	52.54%
AGAINST CREATION:	20.34%
NONRESPONSIVE:	<u>27.12%</u>
TOTAL:	100.00%

The area served by this proposed sanitary sewer improvement district is presently being served by individual on-site wastewater disposal systems.

Informal public meetings were conducted in the Eagle River/Chugiak area for each of the two ballots referenced above. All questions asked were answered.

The passage of this ordinance will have no fiscal impact on any Municipal owned property.

**THE ADMINISTRATION SUPPORTS THE NECESSARY IMPROVEMENTS IN AO
2003-111 AND RECOMMENDS THAT A PUBLIC HEARING BE SCHEDULED FOR
THIS ORDINANCE.**
