WHEREAS, the Municipality of Anchorage (the "Municipality") is eligible to borrow from the Fund for the purposes of planning, designing, constructing, equipping, modifying, improving and expanding of the Anchorage Regional Landfill; and

WHEREAS, the interest rate to be paid by the Municipality on money borrowed from the Fund is a favorable rate considering other sources of funds available to the Municipality; and

WHEREAS, the Home Rule Charter of the Municipality provides at Section 15.03 that the Assembly by ordinance shall provide for the form and manner of sale of bonds and notes; and

WHEREAS, the Assembly of the Municipality has determined and does hereby determine that it is necessary to proceed to plan, design, construct, equip, or otherwise obtain items of capital improvements in connection with Landfill Cells of the Anchorage Regional Landfill (the "Project"); and

WHEREAS, it is deemed necessary and advisable and in the best interests of the Municipality and its inhabitants that a final application be submitted and such other actions as may be necessary be taken to borrow a total amount not to exceed \$525,000 from the Fund for the purpose of said Project.

NOW THEREFORE, the Municipality of Anchorage ordains:

Section 1. Definitions. As used in this Ordinance, unless a different meaning clearly appears from the context:

except proceeds from the sale of bonds or notes, any grants received for the Solid Waste Disposal Utility, and interest received and profits derived from the investment of moneys obtained from such sources or from moneys held in any fund to pay or secure the payment of any bonds or notes issued in connection with the Project Facility. For the purposes of this Ordinance, Gross Revenues shall not include allowance for funds used during construction.

“Operating Expenses” means the current expenses incurred for operation, maintenance or repair of the Project Facility of a non-capital nature, and shall include, without limiting the generality of the foregoing, collection, transmission and treatment expenses, fuel and electricity expenses, chemical expenses, customer accounts expenses, administrative and general expenses, insurance premiums, lease rentals, legal, regulatory, and engineering expenses, payments to pension, retirement, group life insurance, health and hospitalization funds or other employee benefit funds which are properly chargeable to current operations, interest on customers’ deposits, payroll tax expenses, Municipal Utility Service Assessments or any assessment levied in lieu of municipal taxes and any other expenses required to be paid under the provision of this Ordinance or by law or permitted by standard practices for public utility systems similar to the properties and business of the Project Facility (adjusted to reflect public ownership) and applicable in the circumstances. Operating Expenses shall not include any allowances for depreciation or amortization or any principal, redemption price or purchase price of, or interest on, any obligations of the Municipality incurred in connection with any payable from Gross Revenues.

“Project Facility” means the existing Anchorage Regional Landfill of the Municipality as the same will be added to, improved and extended as authorized and provided in this Ordinance, and as the same may be added to, improved and extended for as long as any of the loans authorized by this Ordinance are outstanding, but shall not include such landfill facilities that may be hereafter purchased, constructed or otherwise acquired by the Municipality as a separate system, the revenues of which may be pledged to the payment of bonds or notes issued to purchase, construct or otherwise acquire and improve such separate system.

Section 2. Purpose. The purpose of this Ordinance is to authorize the borrowing of not to exceed \$525,000 from the Fund in the form of a loan to provide funds to pay a portion of the costs of the Project and to fix certain details of said loan.

Section 3. Authority for Ordinance. The Assembly has ascertained and hereby determines that each and every matter and thing as to which provision is made in this Ordinance is necessary in order to carry out and effectuate the purposes of the Municipality in accordance with the Constitution and statutes of the State of Alaska, and the Home Rule Charter of the Municipality, and to incur the indebtedness authorized by this Ordinance.

Section 4. Obligation of Loan. The obligation to repay the loan authorized by this Ordinance shall not be a direct and general obligation of the Municipality and neither the faith and credit nor the taxing power of the Municipality is pledged to the payment of the principal of and interest on the loan. Section 9. Severability. If any one or more of the covenants and agreements provided in this Ordinance to be performed on the part of the Municipality shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements shall be null and void and shall be deemed separable from the remaining covenants and agreements in this Ordinance and shall in no way affect the validity of the other provisions of this Ordinance or of the loan entered into pursuant to this Ordinance.
