ASSEMBLY MEMORANDUM

No. AM 428-2003

Meeting Date: May 13, 2003

From: Mayor

Subject: AR 2003- 118, Appropriation of an Alaska Department of Education & Early Development Supplemental Grant Award for Provision of a Child Care Assistance Program

The Department of Health and Human Services has received a supplemental grant award from the Alaska Department of Education & Early Development in the amount of Five Hundred Thousand Dollars, (\$500,000) bringing the total grant award to \$14,905, 668. The period of the grant remains July 1, 2002 to June 30, 2003. Expenditures are approved from March 27, 2003.

Under the terms of the grant the Municipal Department of Health and Human Services will provide child care subsidies for low-to-moderate income residents of the Municipality who are employed and/or participating in a training or educational program. Subsidies are determined by a sliding fee schedule established by the State of Alaska based on the number of persons in a household. Subsidies are paid on behalf of eligible families to State or Municipal licensed agencies, federally approved facilities and authorized child care providers.

Parents who become ineligible for Alaska Temporary Assistance Program benefits because they are now working receive first priority for service. Eligibility requirements are outlined by the Alaska Department of Education & Early Development while the Municipal Child Care Assistance Program determines the level of assistance and processes the payment. All programs require some level of financial contribution by the parent or guardian. Total participants average 1,780 families per month with an average of 3,000 children served.

Municipal Child Care Assistance Program staff determine eligibility, process payments and maintain program files on over 830 child care providers participating in the program. Other services provided by staff include child and family case management; counseling; information and referral; assistance to providers and potential providers and collecting/reporting program statistical data to the grantor.
