ASSEMBLY MEMORANDUM

No. AM 545-2003

Meeting Date: June 24, 2003

From: Mayor

Subject: Resolution No. AR 2003-183, Appropriating Grant Funds from the Alaska Department of Environmental Conservation for Fine Particulate Monitoring by the Department of Health and Human Services

The accompanying Assembly Resolution appropriates the sum of Eighteen Thousand Five Hundred Dollars (\$18,500) from the Alaska Department of Environmental Conservation to the State Categorical Grant Fund (231) for fine particulate air pollution monitoring by the Department of Health and Human Services. This appropriation funds monitoring operations from January 1, 2003 through June 30, 2003. A second, forthcoming grant is expected to cover the second half of 2003. No matching funds are required.

The U.S. Environmental Protection Agency promulgated new air quality standards for fine particulate matter called PM-2.5. They have provided funding to States to perform this mandatory monitoring. The Alaska Department of Environmental Conservation has delegated a portion of this monitoring responsibility to the Department of Health and Human Services. This grant will cover costs related to this additional monitoring. The Department of Health and Human Services also maintains an ambient air monitoring system for carbon monoxide and coarse particulate matter (PM-10) that is funded through a separate grant.
