MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

No. AM 647-2003

Meeting Date: August 12, 2003

FROM: Mayor

SUBJECT: RESOLUTION No. AR _____ 2003, APPROPRIATING FIFTY THOUSAND DOLLARS (\$50,000) FROM THE AREAWIDE GENERAL FUND BALANCE (101) TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES FUND 101 TO FUND ADMINISTRATIVE COSTS FOR THE SEXUAL ASSAULT RESPONSE TEAM (SART) PROGRAM.

The attached Assembly Resolution appropriates Fifty Thousand Dollars (\$50,000) to fund administrative costs for the Sexual Assault Response Team (SART) Program within the Department of Health and Human Services. Funding for direct evidence collection services in the SART program is funded through the Anchorage Police Department's Local Law Enforcement Block Grant.

Effective June 1, 2003, the Municipality of Anchorage (MOA) became the administrator of the SART Program. Previously, the SART Program was operated as a contract to a third party. The Sexual Assault Response Team offers a coordinated and multidisciplinary approach to victims of sexual assault. The team is composed of representatives from law enforcement (Anchorage Police Department), sexual assault victim advocacy programs (Standing Together Against Rape) and sexual assault nurse examiners (Department of Health & Human Services). The purpose of the team is to efficiently and collaboratively meet the medical and emotional needs of victims of sexual assault, as well as to meet the evidentiary prosecutorial needs of the criminal justice system. Through coordination of the investigation process, the SART program seeks to reduce repeated questioning for the victim and to increase effective collection and preservation of evidence.

The SART program is intended to:

- Improve the sensitivity of the investigation and quality of care for the victim.
- Improve the quality of the investigation and forensic evidence.
- Increase the conviction rate of sexual assault perpetrators.

The Areawide General Fund Balance appropriation is being requested to fund administrative costs involved in operating the program.
