11 Section 1. The improvements authorized in Anchorage Ordinance 99-
12 145 have been completed and actual costs determined. Special assessments are
13 hereby levied against properties benefited by said improvements as set forth in the
14 attached assessment roll prepared for the district.
15

16 Section 2. Timely notice of assessment was sent to each property
17 owner whose property is benefited by the improvements as indicated on the attached
18 assessment roll. Each property owner was also given notice of a Public Hearing to be
19 held before the Municipal Assembly. This provided property owners an opportunity to
20 present objections and/or inequalities in the assessment roll for the district.

27 constructed improvements. The assessment roll has been duly certified by the
28 Municipal Clerk.
29

30 Section 4. All assessments and installment interest thereon may be
31 paid in approximately equal annual installments, according to the schedule specified in

ASSEMBLY MEMORANDUM

No. AM 874-2003

Meeting Date: November 18, 2003

FROM: Mayor

SUBJECT: Resolution Confirming and Levying Special Assessments for Special Assessment District 4P99 which provided alley paving improvements on the G Street/H Street Alley between 11th Avenue and 13th Avenue

On January 11, 2000, the Municipal Assembly approved Ordinance No. AO 99-145 creating special assessment district 4P99 for alley paving improvements on the G Street/H Street Alley between 11th Avenue and 13th Avenue. Original project cost was estimated at \$95,000. Project construction is complete and the actual project cost is \$99,096, which is about 4% higher than estimated.

AO No. 99-145 specified that assessments would be the lesser amount of: (1) construction contract costs plus twenty percent (20%) for non-contract costs, plus actual acquisition costs; or (2) the last approved estimate plus ten percent (10%). The second option is the lowest at \$60,500, which is 10% higher than the estimated \$55,000 in assessable cost approved by property owners in the petition. This total assessable amount was used in calculating final assessments for each parcel, which are in turn 10% higher than those approved by property owners. Information on the proposed final assessments was provided in a letter to property owners and at a public meeting. No concerns have been identified.

Passage of this resolution will have no fiscal impact on any Municipal property.

THE ADMINISTRATION RECOMMENDS A PUBLIC HEARING BE SCHEDULED FOR THIS RESOLUTION AND, UPON CONCLUSION OF THE HEARING, APPROVE THE RESOLUTION AND SET THE DATE OF FIRST PAYMENT.
