MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

NO. 286 - 2004

Meeting Date: April 13, 2004

From: Chair Traini

Subject: SEGREGATING DONATIONS FROM ANCHORAGE CITIZENS AND BUSINESSES FOR SPECIFIC PURPOSES

Three separate resolutions have been simultaneously submitted to recognize donations received from private citizens and local businesses in late 2003 in support of the three causes involving our City's government: (1) a future veterans' home in Anchorage; (2) General Government Operations; and (3) Trails Watch Program; .

The citizens and businesses identified in the resolutions each made \$1,000 donations in 2003 as a sign of their commitment to our community and to encourage their fellow citizens and businesses to follow their lead and donate additional dollars in the future to support the aforementioned purposes.

In order to ensure the donations are appropriately accounted for, each of the three resolutions requests that the Administration establish distinct donation subaccounts for each of the three purposes, with a further request that all deposits, withdrawals, and cash pool interest earnings be accounted for separately from all other donation subaccounts within Fund 261.

Approval of AR 2004-74, AR 2004-75, and AR 2004-76 is recommended.

Respectfully submitted,
