ASSEMBLY MEMORANDUM

No. AM 419-2004

Meeting Date: May 18, 2004

From: Mayor

Subject: Appropriation of a contribution from Alaska Communications Systems for enhanced 911 related projects for the Anchorage Police Department.

The Administration requests Assembly approval for the appropriation of a contribution of \$37,200 from Alaska Communications Systems for enhanced 911 related projects for the Anchorage Police Department.

Alaska Communications Systems has provided the Anchorage Police Department this good faith contribution for enhanced 911 related projects due to additional professional consulting costs incurred and directly attributed to delays realized in the development of the Enhanced 911 Upgrade Project system design plan. There is no Municipal fund match requirement for this contribution. There is no specific time frame for expenditure of contribution funds.
