6 resolution, shall otherwise determine, the Bonds initially issued shall be available for

18 to be given by the Municipality to the Paying Agent or to DTC), the selection by DTC or any
19 DTC participant of any person to receive payment in the event of a partial redemption of the
20 Bonds or any consent given or other action taken by DTC as the owner of the Bonds. For
21 so long as any Bonds are held under the Book-Entry System, DTC or its successor
22 depository shall be deemed to be the owner of the Bonds for all purposes hereunder, and
23 all references herein (except for Section 27) to the owner of the Bonds or similar terms shall
24 mean DTC or its nominee and shall not mean the owners of any beneficial interest in the
25 Bonds.

6 of whose signature shall appear on any Bonds shall cease to be such officer before the

15 mentioned Ordinance.

17 as Paying Agent

18 Date of Authentication:

21 The principal, redemption price of and the interest on the Bonds shall be payable in
22 any coin or currency of the United States of America which, at the respective dates of
23 payment thereof, is legal tender for the payment of public and private debts.

24 For so long as all outstanding Bonds are held under the Book-Entry System, payment
25 of principal and interest thereof shall be made in accordance with the operational
26 arrangements of DTC referred to in the Letter of Representations.

27 In the event that the Bonds are not or are no longer held under the Book-Entry
28 System: (i) payment of principal on each principal payment date on all Bonds shall be

1 payable upon presentment at a corporate trust office of the Paying Agent as may be
2 designated by the Paying Agent; and (ii) payment of interest on the Bonds shall be made
3 by check or draft mailed by first class mail to the registered owner of record as of the 15th
4 day of the month preceding each interest payment date at the address appearing on the
5 Bond Register of the Municipality kept by the Paying Agent, provided that any owner of
6 Bonds in an aggregate principal amount of \$1,000,000 or more may, at its option, receive
7 interest payments by wire transfer at any location within the United States of America upon
8 written notice delivered to the Paying Agent not later than the 15th day of the month
9 preceding any interest payment date.

10 Section 8. Redemption of Bonds. The Bonds may be subject to redemption by or
11 on behalf of the Municipality prior to maturity and upon notice as hereinafter provided, as a
12 whole or in part as may be fixed and determined by the Authorized Municipal Representative
13 pursuant to Section 22 of this Ordinance or by resolution of the Assembly adopted prior to
14 or at the time of delivery of the Bonds. If the Bonds are no longer held under the Book-Entry
15 System, the following provisions shall govern the manner of selection of Bonds to be
16 redeemed. If fewer than all of the Bonds within a single maturity are to be called for
17 redemption prior to their scheduled maturity, the portions of Bonds within a maturity to be
18 redeemed shall be selected by the Paying Agent, acting as Bond Registrar, by lot in the
19 manner chosen by the Paying Agent. In selecting Bonds to be redeemed in part within a
20 single maturity, the Paying Agent shall treat each Bond as representing that number of
21 Bonds of a \$5,000 denomination which is obtained by dividing the principal amount of such
22 Bond by \$5,000. As long as the Bonds are held under the Book-Entry System, such
23 selection shall be made by DTC in accordance with the operational arrangements of DTC
24 then in effect, as referred to in the Letter of Representations.

25 Section 9. Notice of Redemption. Except as hereafter provided in this Section 9,
26 when the Municipality determines to redeem any Bonds, the Paying Agent shall cause to be

1 given notice of such redemption (which notice may be conditional) in the manner then
2 provided by law, which notice shall state the redemption date and identify the Bonds to be
3 redeemed by reference to their numbers and/or letters and further may be conditional or
4 may state that on such redemption date there shall become due and payable upon each
5 such Bond, or portion thereof, the principal amount thereof plus the applicable premium, if
6 any (the "Redemption Price"), together with interest accrued to the redemption date, and
7 that from and after such date interest thereon shall cease to accrue. Such notice shall be
8 given at least 30 days but not more than 60 days prior to the redemption date by first class
9 mail, postage prepaid, to the registered owner of any Bond to be redeemed at the address
10 of the registered owner appearing on the Bond Register; provided, however, that for so long
11 as the Bonds are held under the Book-Entry System, all notices of redemption shall be given
12 only as provided in the manner described in the Letter of Representations. In addition to the
13 above required mailing, the Municipality shall also cause notice of such intended redemption
14 to be given to the managing underwriter(s) of the Bonds or their respective business
15 successors, if any, and, when there is a bond insurance policy with respect to any Bonds,
16 to the Bond Insurer, if any, by mail or electronic means.

17 If the Bonds are no longer held under the Book-Entry System, then, in addition to the
18 foregoing notice, further notice of redemption shall be given by the Paying Agent as set out
19 below, but no defect in said further notice nor failure to give all or any portion of such further
20 notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof
21 is given as above prescribed.

22 Each further notice of redemption given hereunder shall contain the information
23 required above for an official notice of redemption plus: (i) if fewer than all outstanding
24 Bonds are to be redeemed, the identification (and, in the case of partial redemption, the
25 principal amounts) of the Bonds to be redeemed, (ii) if the Bonds are no longer held under
26 the Book-Entry System the Bonds are to be surrendered for payment at the corporate trust

1 office of the Paying Agent or such other location as may be designated by the Paying
2 Agent (iii) the CUSIP numbers of all Bonds being redeemed, (iv) the dated date of the
3 Bonds, (v) the rate of interest for each Bond being redeemed, (vi) the date of the notice,
4 and (vii) any other information needed to identify accurately the Bonds being redeemed.

5 The Municipality shall notify the Paying Agent of any optional redemption at least 5
6 days prior to the date on which notice pursuant to this Section 9 is to be given to DTC or the
7 registered owner of any Bond to be redeemed, as the case may be.

8 The foregoing notice provisions of this Section 9, including but not limited to the
9 information to be included in redemption notices and the persons designated to receive
10 notices, may be, but is not required to be, amended by additions, deletions and changes in
11 order to maintain compliance with duly promulgated regulations and recommendations
12 regarding notices of redemption of municipal securities.

13 Section 10. Payment of Redeemed Bonds. If unconditional notice of redemption has
14 been given in the manner provided in this Ordinance, the Bonds so called for redemption
15 shall become due and payable on the redemption date stated in said notice at the applicable
16 redemption price on said date plus interest accrued and unpaid to the redemption date. If,
17 on the redemption date, moneys for the redemption of all the Bonds to be redeemed,
18 together with interest accrued and unpaid to the redemption date, shall be held on behalf
19 of the Municipality at the corporate trust office of the Paying Agent so as to be available
20 therefor on said date and if notice of redemption shall have been given as aforesaid, then
21 from and after the redemption date the Bonds so called for redemption shall cease to bear
22 interest.

Interest on any Bonds unconditionally called for redemption shall cease to accrue on the date fixed for redemption unless such Bonds are not redeemed upon presentation pursuant to such call. Notice of any redemption of Bonds shall be given as provided in the Ordinance and the Letter of Representations.

This Bond is transferable as provided in the Ordinance and the Letter of Representations. The Municipality and the Paying Agent may treat and consider the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price, if any, hereof and interest due hereon and for all other purposes whatsoever.

1 This Bond is a general obligation of the Municipality of Anchorage, Alaska, and the
2 full faith and credit of the Municipality are pledged for the payment of the principal of and
3 interest on the Bonds. The Municipality hereby irrevocably pledges and covenants that it
4 will levy and collect taxes upon all taxable property within the Municipality without limitation
5 as to rate or amount, in amounts sufficient, together with other funds legally available
6 therefor, to pay the principal of and interest on the Bonds as the same become due and
7 payable.

8 IT IS HEREBY CERTIFIED AND RECITED that all conditions, acts or things required
9 by the Constitution or statutes of the State of Alaska and the Home Rule Charter of the
10 Municipality to exist, to have happened or to have been performed precedent to or in the
11 issuance of this Bond, exist, have happened and have been performed, and that the series
12 of Bonds of which this is one, together with all other indebtedness of the Municipality, is
13 within every debt and other limit prescribed by said Constitution, statutes or Charter.

1 In the event the Bonds are not or are no longer held under the Book-Entry System,
2 the form of the Bonds may be modified to conform to printing requirements and the terms
3 of this Ordinance.

4 Section 12. Disposition of the Proceeds of Sale of the Bonds and Authorization of
5 an Escrow Agreement. Proceeds received from the sale of the Bonds shall be (i) deposited
6 in the "General Obligation Refunded School Bond Fund" (the "Refunded Bond Fund") which
7 is hereby created, and used, together with such moneys as may be transferred to said
8 account pursuant to this Ordinance, to deposit cash and to purchase Escrow Obligations
9 maturing as to principal and interest in such amounts and at such times as to provide for the
10 payment of interest on the Refunded Bonds to the maturity date or date of redemption of
11 each such Bond and the redemption price of the Refunded Bonds on the permitted
12 redemption date as provided in Section 13 hereof, and (ii) used to pay costs of issuance of
13 the Bonds pursuant to the terms of the Paying Agent Agreement.

14 Moneys and Escrow Obligations deposited in the Refunded Bond Fund shall be
15 irrevocably set aside and deposited in a trust account for safekeeping, pursuant to the
16 Escrow Agreement with U.S. Bank National Association, Seattle, Washington, which is
17 hereby appointed as Escrow Agent. Such money and obligations are hereby pledged to be
18 held and applied solely for the purpose set forth herein, provided, however, that the
19 Municipality may from time to time transfer, or cause to be transferred, free of trust from
20 such Refunded Bond Fund any moneys not required for such purpose upon securing a
21 verification from a certified public accountant and opinion of bond counsel as set forth in the
22 next succeeding paragraph.

23 The Municipality reserves the right to substitute other Escrow Obligations for
24 investments in the Refunded Bond Fund in the event it may do so pursuant to Section 148
25 of the Code and applicable regulations thereunder, provided, that, at all times the moneys
26 and Escrow Obligations in the Refunded Bond Fund shall be sufficient to accomplish the

1 refunding of the Refunded Bonds and the payment of principal and interest as provided
2 herein. Prior to each such substitution, the Municipality shall obtain (1) a verification by a
3 certified public accountant which shall be satisfactory to bond counsel to the Municipality
4 that the moneys and Escrow Obligations on deposit after such substitution will be sufficient
5 to effect such refunding of the Refunded Bonds and the payment of principal and interest,
6 and (2) an opinion from bond counsel that such substitution shall not cause any Bond or
7 Refunded Bond to lose its tax-exempt status under Section 148 of the Code. When all of
8 the Refunded Bonds shall have been redeemed and retired, the Municipality may cause to
9 be transferred from the Refunded Bond Fund free of trust all moneys remaining therein.

10 Section 13. Call of Refunded Bonds for Prior Redemption. The designation of the
11 Refunded Bonds shall be made by the Authorized Municipal Representative pursuant to
12 Section 22 of this Ordinance. The Municipality hereby elects to call the Refunded Bonds on
13 the first date on which such Refunded Bonds may be redeemed in accordance with the
14 Ordinances authorizing their issuance, respectively, which dates and prices are as follows:

The election to make such call for redemption shall be subject to the delivery of the Bonds to the initial purchasers thereof and shall become irrevocable upon such delivery.

The Escrow Agent, acting in concert with the Municipal Clerk, acting Municipal Clerk, Deputy Municipal Clerk, or the Authorized Municipal Representative of the Municipality and the paying agent for the Refunded Bonds, is hereby authorized and directed to provide for the giving of notice of redemption of the Refunded Bonds in the manner set forth in the ordinances of the Municipality authorizing their issuance.

1 Section 14. Paying Agent and Bond Registrar. (a) U.S. Bank National Association,
2 Seattle, Washington, is hereby appointed the Paying Agent for the Bonds and the term
3 "Paying Agent" shall include any business successor or successors thereto. Any company
4 into which the Paying Agent may be merged or converted or with which it may be
5 consolidated or any company resulting from any merger, conversion or consolidation to
6 which it shall be a party, provided such company shall be a bank or trust company organized
7 under the laws of any state of the United States of America or a national banking association
8 and shall be authorized by law to perform all the duties imposed upon it by this Ordinance,
9 shall be the successor to the Paying Agent without the execution or filing of any paper or the
10 performance of any further act.

11 The Paying Agent shall maintain a Bond Register which shall include the names and
12 addresses of the registered owners or nominees of the owners of the Bonds and which shall
13 provide for the registration, transfer and exchange of Bonds. The Municipality covenants
14 that, until all Bonds have been surrendered and canceled, it will maintain a system for
15 recording the ownership of each Bond that complies with the provisions of Section 149 of
16 the Code.

17 The Paying Agent may become the owner of or may deal in Bonds as fully and with
18 the same rights as if it was not the Paying Agent.

19 (b) Concerning the use of DTC,

20 (1) Unless otherwise provided by resolution of the Assembly, the Bonds shall
21 be registered initially in the name of Cede & Co., as nominee of DTC, with one Bond
22 maturing on each of the maturity dates established in a denomination corresponding
23 to the total principal amount therein designated to mature on such date. Registered
24 ownership of such immobilized Bonds, or any portions thereof, may not thereafter be
25 transferred except (i) to any successor of DTC or its nominee, provided that any such
26 successor shall be qualified under any applicable laws to provide the service

1 proposed to be provided by it; (ii) to any substitute depository appointed by the
2 Assembly pursuant to (2) below or such substitute depository's successor; or (iii) to
3 any person as provided in (4) below.

4 (2) Upon the resignation of DTC or its successor (or any substitute depository
5 or its successor) from its functions as depository or a determination by the Assembly
6 that it is no longer in the best interest of owners of beneficial interests in the Bonds
7 to continue the system of book-entry transfers through DTC or its successors (or any
8 substitute depository or its successor), the Assembly may thereafter appoint a
9 substitute depository. Any such substitute depository shall be qualified under any
10 applicable laws to provide the services proposed to be provided by it.

11 (3) In the case of any transfer pursuant to clause (i) or (ii) of (1) above, the
12 Paying Agent shall, upon receipt of all outstanding Bonds, together with a written
13 request on behalf of the Assembly, issue a single new Bond for each maturity then
14 outstanding, registered in the name of such successor or such substitute depository,
15 or their nominees, as the case may be, all as specified in such written request of the
16 Assembly.

17 (4) In the event that (i) DTC or its successor (or substitute depository or its
18 successor) resigns from its functions as depository and no substitute depository can
19 be obtained, or (ii) the Assembly determines that it is in the best interest of the
20 registered owners of the Bonds that they be able to obtain Bond certificates, the
21 ownership of Bonds may then be transferred to any person or entity as herein
22 provided and the Bonds shall no longer be held under the Book-Entry System. The
23 Municipality shall deliver a written request to the Paying Agent, together with a supply
24 of definitive Bonds, to issue Bonds as herein provided in any authorized denomina-
25 tion. Upon receipt of all then outstanding Bonds by the Paying Agent, together with
26 a written request on behalf of the Assembly to the Paying Agent, new Bonds shall be

1 issued in such denominations and registered in the names of such persons as are
2 requested in such written request.

3 Section 15. Mutilated, Destroyed, Stolen or Lost Bonds. In case any Bond shall
4 become mutilated or be destroyed, stolen or lost, the Municipality may cause to be
5 executed, and shall deliver, a new Bond of like interest rate, principal amount, maturity and
6 series in exchange and substitution for and upon cancellation of such mutilated Bond, or in
7 lieu of and in substitution for such Bond destroyed, stolen or lost, in each case upon the
8 registered owner thereof paying the reasonable expenses and charges of the Municipality
9 and the Paying Agent in connection therewith and in the case of a Bond destroyed, stolen
10 or lost, filing by the owner with the Paying Agent evidence satisfactory to the Paying Agent
11 and the Municipality that such Bond was destroyed, stolen or lost and the owner's ownership
12 thereof, and furnishing the Municipality and the Paying Agent with indemnity satisfactory to
13 them. Any new Bond so delivered may bear a number differing from the number of the
14 Bond it replaces.

15 Section 16. Transfer of Bonds and Delivery of New Bonds. If the Bonds are no
16 longer held in the Book-Entry System, any Bond may be transferred only upon the books
17 kept for the registration and transfer of Bonds by the Paying Agent, upon surrender thereof
18 at a corporate trust office of the Paying Agent as may be designated by the Paying Agent,
19 together with an assignment duly executed by the registered owner or the registered owner's
20 attorney in such form as shall be satisfactory to the Paying Agent. Upon the transfer of any
21 such Bond, there shall be executed in the name of the transferee, and the Municipality shall
22 cause to be authenticated and delivered, a new registered Bond or Bonds of the same
23 maturity and aggregate principal amount in any of the authorized denominations.

24 In all cases in which Bonds may be transferred under this Ordinance, there shall be
25 executed, and the Municipality shall authenticate and deliver, Bonds in accordance with the
26 provisions of this Ordinance. Any such transfer shall be without cost to the registered

1 owner, except that the Municipality and the Paying Agent may make a charge for every such
2 registration, exchange or transfer of Bonds sufficient to reimburse them for any tax, fee or
3 other governmental charge required to be paid with respect to such registration, exchange
4 or transfer, and such charge or charges shall be paid before any such new Bond shall be
5 delivered. Neither the Municipality nor the Paying Agent shall be required to make any such
6 registration, exchange or transfer of a Bond during the 15 days next preceding an interest
7 payment date for such Bond.

8 Section 17. Ownership of Bonds. As to any Bond, the person in whose name the
9 same shall be registered on the Bond Register shall be deemed and regarded as the
10 absolute owner thereof for all purposes (except for Section 27 hereof), and payment of or
11 on account of the principal on such Bond and the interest on such Bond shall be made only
12 to or upon the order of the registered owner thereof or the registered owner's legal
13 representative, but such registration may be changed as hereinabove provided. All such
14 payments shall be valid and effectual to satisfy and discharge the liability upon such Bond,
15 including the interest thereon, to the extent of the sum or sums so paid.

16 The Bonds shall be uncertificated securities to the extent provided by Alaska
17 Statutes, Title 45.08. The Municipality and the Paying Agent shall be entitled to treat the
18 person in whose name any Bond is registered as the absolute owner thereof for all purposes
19 of this Ordinance and any applicable laws, notwithstanding any notice to the contrary
20 received by the Paying Agent or the Municipality. Neither the Municipality nor the Paying
21 Agent will have any responsibility or obligation, legal or otherwise, to any other party, except
22 to the registered owners of the Bonds.

23 Section 18. Arbitrage Covenant. The Municipality covenants with the registered
24 owners of all Bonds at any time outstanding that it will make no use of the proceeds of the
25 Bonds which will cause the Bonds to be "arbitrage bonds" subject to federal income taxation
26 by reason of Section 148 of the Code. To that end, so long as any of the Bonds are

1 outstanding, the Municipality, with respect to the proceeds of the Bonds, shall comply with
2 all requirements of said Section 148 and the regulations thereunder to the extent that such
3 requirements are, at the time, applicable and in effect.

4 Section 19. Compliance with Code. The Municipality hereby covenants to comply
5 with any and all applicable requirements set forth in the Code in effect from time to time to
6 the extent that such compliance shall be necessary for the exemption from federal income
7 taxes of the interest on the Bonds. The Municipality hereby further covenants to observe
8 any and all applicable requirements in any future federal tax legislation to the extent that
9 such compliance is determined by the Municipality to be legal and practicable and required
10 for such exemption.

11 The covenants of this Section shall also be deemed to have been made for the
12 benefit of any Bond Insurer for so long as a Bond Insurer maintains a policy of insurance
13 with respect to any of the Bonds.

14 Section 20. Rebate Requirement. The Municipality covenants and agrees that it will
15 pay any amounts required to comply with the arbitrage rebate requirements of Section 148(f)
16 of the Code.

17 Section 21. Defeasance. In the event money and/or noncallable Acquired Obliga-
18 tions maturing at such times and bearing interest to be earned thereon in amounts sufficient
19 to retire any or all of the Bonds in accordance with their terms are set aside in a special trust
20 account to effect such retirement and such moneys and the principal of and interest on such
21 obligations are irrevocably set aside and pledged for such purpose, then no further
22 payments need be made to pay or secure the payment of the principal of and interest on
23 such Bonds and such Bonds shall be deemed not to be outstanding. If the Bonds are
24 insured, any defeasance of the Bonds shall be made by cash and/or direct, non-callable
25 obligations of the United States of America and/or agencies of the United States of America.

1 Section 22. Sale of Bonds, Final Terms, Approval of Official Statement. The Bonds
2 shall be sold at negotiated sale to certain underwriters named in the Purchase Contract (as
3 defined below). The Authorized Municipal Representative, with the assistance of the
4 Financial Advisor (as defined below), is hereby authorized to designate the Outstanding
5 Bonds to be refunded as the "Refunded Bonds," negotiate terms for the purchase of the
6 Bonds, with Bear, Stearns, & Co., Inc., Citicorp Global Markets Inc., George K. Baum & Co.,
7 Morgan Stanley, and Siebert Brandford Shank & Co., LLC (collectively, the "Underwriters"),
8 and to execute a purchase contract with the representative of the Underwriters for the
9 purchase of the Bonds ("Purchase Contract") which is in the best interest of the Municipality.

10 The Municipality has been advised by its financial advisor, UBS Financial Services
11 Inc. (the "Financial Advisor"), that market conditions continue to fluctuate and, as a result,
12 the most favorable market conditions may occur on a day other than a regular meeting date
13 of the Assembly. The Assembly has determined that it would be inconvenient, perhaps
14 impossible, to hold a special meeting on short notice and, accordingly, has determined that
15 it would be in the best interest of the Municipality to delegate to the Authorized Municipal
16 Representative for a limited time the authority to approve certain details of the Bonds
17 including the date and the delivery date, the aggregate principal amount and the principal
18 amount of each maturity, the purchase price, the maturity and interest payment dates and
19 the interest rates of each maturity. The foregoing terms, including the designation of the
20 Refunded Bonds shall be set forth in the Purchase Contract. The Authorized Municipal
21 Representative shall take into account those factors which, in his judgment, will result in the
22 lowest net effective interest cost on the Bonds to their maturity; however, the Bonds shall
23 not be issued nor may the Purchase Contract be executed by the Authorized Municipal
24 Representative unless there is a present value savings in debt service as a result of the
25 issuance of the Bonds at least equal to 3.0% of the principal amount of the Refunded
26 Bonds.

1 The Authorized Municipal Representative is hereby authorized to execute the
2 Purchase Contract with the Underwriters for the Bonds upon his approval of the details of
3 the Bonds including the designation of the Refunded Bonds and the details referred to in the
4 foregoing paragraph including, but not limited to, the date and the delivery date, the
5 aggregate principal amount and the principal amount of each maturity, the purchase price,
6 the maturity and interest payment dates, the redemption provisions and the interest rate of
7 each maturity, the Underwriters' discount and the true interest cost on the Bonds. The
8 authority granted to the Authorized Municipal Representative by this Section shall expire in
9 270 days from the date of approval of this Ordinance. If the Purchase Contract has not
10 been executed by the Authorized Municipal Representative in accordance with the
11 delegated authority of this Section by said date, the Bonds may only be sold in the manner
12 provided in the following paragraph.

13 The terms of this paragraph apply only if the Authorized Municipal Representative has
14 not entered into a Purchase Contract for the Bonds within 270 days of approval of the
15 Ordinance. The Authorized Municipal Representative is hereby authorized to solicit an offer
16 or offers for the purchase of the Bonds in such manner as he deems appropriate, and
17 thereafter to negotiate a contract for the purchase of the Bonds which is in the best interest
18 of the Municipality, said contract or contracts be executed by the Authorized Municipal
19 Representative after approval of a resolution by the Assembly.

20 The Authorized Municipal Representative is authorized to solicit commitments for a
21 policy of insurance with respect to payment of the interest on and principal of the Bonds and
22 thereafter to accept such commitment from an insurer (the "Bond Insurer") which in his
23 judgment is in the best interest of the Municipality. The Authorized Municipal Representative
24 is further authorized to enter into such agreements with the Bond Insurer related to said
25 policy as are not inconsistent with this Ordinance and, are in his opinion, in the best interest
26 of the Municipality.

1 The Authorized Municipal Representative is authorized to approve the final terms of,
2 and to execute on behalf of the Municipality, an Escrow Agreement. The Authorized
3 Municipal Representative is further authorized to enter into such agreements to purchase
4 Escrow Obligations to effect the refunding of the Refunded Bonds that are not inconsistent
5 with this Ordinance and are, in his opinion and in the opinion of the Financial Advisor, in the
6 best interest of the Municipality.

7 The Authorized Municipal Representative is authorized to approve the final terms of,
8 and to execute on behalf of the Municipality, a Paying Agent Agreement.

9 The Authorized Municipal Representative is further authorized to review and to
10 approve, on behalf of the Municipality, the preliminary official statement and final official
11 statement relating to the issuance and sale of the Bonds with such changes, if any, as may
12 be deemed by his to be appropriate, including changes necessary in order to evidence
13 compliance with Section (b)(5) of the Rule.

14 Section 23. Authority of Officers. The Mayor, the Municipal Manager, the Chief
15 Fiscal Officer, the Municipal Attorney, the Municipal Clerk, the acting Municipal Clerk, and
16 the Deputy Municipal Clerk from time to time, are, and each of them is, hereby authorized
17 and directed to do and perform all things and determine all matters not determined by this
18 Ordinance, or to be determined by a subsequent ordinance or resolution of the Municipality,
19 to the end that the Municipality may carry out its obligations under the Bonds and this
20 Ordinance.

21 Section 24. Amendatory and Supplemental Ordinances. (a) The Assembly from
22 time to time and at any time may adopt an ordinance or ordinances supplemental hereto,
23 which ordinance or ordinances thereafter shall become a part of this Ordinance, for any one
24 or more of the following purposes:

1 (1) To add to the covenants and agreements of the Municipality in this
2 Ordinance contained, other covenants and agreements thereafter to be observed, or
3 to surrender any right or power herein reserved to or conferred upon the Municipality.

4 (2) To make such provisions for the purpose of curing any ambiguities or of
5 curing, correcting or supplementing any defective provision contained in this Ordinance
6 or in regard to matters or questions arising under this Ordinance as the
7 Assembly may deem necessary or desirable and not inconsistent with this Ordinance
8 and which in the opinion of the Municipality's bond counsel shall not materially
9 adversely affect the interests of the registered owners of the Bonds.

10 Any such supplemental ordinance of the Assembly may be adopted without the
11 consent of the registered owner of any of the Bonds at any time outstanding, notwithstanding
12 any of the provisions of subsection (b) of this Section.

13 (b) With the consent of the Bond Insurer or the registered owners of not less than
14 60% in aggregate principal amount of the Bonds at the time outstanding affected by the
15 supplemental ordinance, the Assembly may adopt an ordinance or ordinances supplemental
16 hereto for the purpose of adding any provisions to or changing in any manner or eliminating
17 any of the provisions of this Ordinance or of any supplemental ordinance with respect to the
18 Bonds; provided, however, that no such supplemental ordinance shall:

19 (1) Extend the fixed maturity of any of the Bonds, or reduce the rate of interest
20 thereon, or reduce the amount or change the date of any sinking fund installment, or
21 extend the time of payments of interest from their due date, or reduce the amount of
22 the principal thereof, or reduce any premium payable on the redemption thereof,
23 without the consent of the registered owners of each Bond so affected; or

24 (2) Reduce the aforesaid percentage of registered owners of Bonds required
25 to approve any such supplemental ordinance without the consent of the registered
26 owners of all of the Bonds then outstanding;

1 and provided, further, that if the Bonds are insured any such supplemental ordinance may
2 not be adopted without the prior written consent of the Bond Insurer.

3 It shall not be necessary for the consent of the owners of the Bonds under this
4 subsection to approve the particular form of any proposed supplemental ordinance, but it
5 shall be sufficient if such consent approves the substance thereof.

6 (c) Upon the adoption of any supplemental ordinance pursuant to the provisions of
7 this Section, this Ordinance shall be deemed to be modified and amended in accordance
8 therewith, and the respective rights, duties and obligations of the Municipality under this
9 Ordinance and all owners of Bonds outstanding hereunder affected by such supplemental
10 ordinance shall thereafter be determined, exercised and enforced thereunder, subject in all
11 respects to such modification and amendment, and all the terms and conditions of any such
12 supplemental ordinance shall be deemed to be part of the terms and conditions of this
13 Ordinance for any and all purposes.

14 (d) Bonds executed and delivered after the execution of any supplemental ordinance
15 adopted pursuant to the provisions of this Section may bear a notation as to any matter
16 provided for in such supplemental ordinance, and if such supplemental ordinance shall so
17 provide, new Bonds so modified so as to conform, in the opinion of the Municipality, to any
18 modification of this Ordinance contained in any such supplemental ordinance may be
19 prepared by the Municipality and delivered without cost to the registered owners of the
20 Bonds then outstanding, upon surrender for cancellation of such Bonds in equal aggregate
21 principal amounts.

22 Section 25. Prohibited Sale of Bonds. No person, firm or corporation, or any agent
23 or employee thereof, acting as financial consultant to the Municipality under an agreement
24 for payment in connection with the sale of the Bonds, is eligible to purchase the Bonds as
25 a member of the original underwriting syndicate either at public or private sale.

1 Section 26. Miscellaneous. No recourse shall be had for the payment of the principal
2 of or the interest on the Bonds or for any claim based thereon or on this Ordinance against
3 any member of the Assembly or officer of the Municipality or any person executing the
4 Bonds. The Bonds are not and shall not be in any way a debt or liability of the State of
5 Alaska or of any political subdivision thereof, except the Municipality, and do not and shall
6 not create or constitute an indebtedness or obligation, either legal, moral or otherwise, of
7 said State or of any political subdivision thereof, except the Municipality.

8 Section 27. Undertaking to Provide Ongoing Disclosure. The Municipality will
9 execute a certificate for ongoing disclosure in form and substance satisfactory to the
10 Underwriters, and the Authorized Municipal Representative is hereby authorized and
11 directed to execute such certificate.

12 Section 28. Severability. If any one or more of the covenants and agreements
13 provided in this Ordinance to be performed on the part of the Municipality shall be declared
14 by any court of competent jurisdiction to be contrary to law, then such covenant or
15 covenants, agreement or agreements shall be null and void and shall be deemed separable
16 from the remaining covenants and agreements in this Ordinance and shall in no way affect
17 the validity of the other provisions of this Ordinance or of the Bonds.

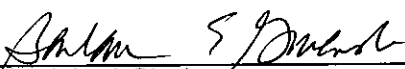

18 Section 29. Effective Date. This Ordinance shall take effect immediately.

MUNICIPALITY OF ANCHORAGE

ASSEMBLY MEMORANDUM

AM No. 110 - 2005

Meeting Date: February 15, 2005

From: Mayor

Subject: AO 2005-32 -- \$105,000,000 2005 General Obligation Refunding Bonds (Schools)

The attached Ordinance No. AO 2005-32 provides for the issuance of not to exceed \$105,000,000 General Obligation Refunding Bonds (Schools) for previously issued and currently outstanding Anchorage School District Bonds. Based upon current market interest rates, refunding bonds of \$31,900,000 would meet or exceed our three percent net present value savings threshold for the bonds to be refunded. The not to exceed amount of \$105,000,000 provides for further market movement of approximately 25 basis points in favor of the Municipality. In the event of a similar market swing in the opposite direction, most of the refunding opportunity would disappear.

The current schedule for the sale and related matters calls for a public hearing on the ordinance on March 1, 2005. Sale of the bonds is anticipated to take place by the end of March 2005.

The Chief Fiscal Officer is authorized by Section 22 of the ordinance to negotiate terms for purchase of the bonds and to execute a contract for their purchase in the Municipality's best interest.

THE ADMINISTRATION RECOMMENDS APPROVAL OF AO NO. 2005-32.
