**DEPARTMENTAL APPROPRIATION:**

Anchorage Fire Department: \$212,700

**ASSEMBLY MEMORANDUM**

No. AM 74-2005

**Meeting Date:** February 1, 2005

**From:** Mayor

**Subject:** Appropriation of amount not to exceed Two Hundred Twelve Thousand Seven Hundred Dollars (\$212,700), as a Contribution from the Chugiak Fire Service Area Fund (104) Balance, to the Chugiak Fire Service Area Capital Improvement (404) Fund to Provide for the Purchase of a New Emergency Response Fire Apparatus.

This appropriation provides for the purchase of a specialized mini-pumper for use by the Chugiak Volunteer Fire Department. The Chugiak Volunteer Fire Department normally acquires new fire emergency response apparatus through direct purchase, paying for the apparatus in full upon delivery and acceptance. Funds to make these purchases are drawn, as the need arises, from accumulated operating budget surpluses which accrue to the Chugiak Fire Service Area Fund (104) Balance.

A comparable mini-pumper fire response apparatus was purchased for the Anchorage Fire Department from Oregon Fire & Police Equipment, Inc. in May 2004 (reference approval document, Assembly Memorandum 371-2004, dated 5/11/04).

The Municipal Purchasing Officer has authorized the award of a second unit under the corresponding Purchase Order 240532. The vendor has similarly agreed to honor the original fully equipped bid price of \$212,639. While the requested appropriation provides sufficient funds to purchase a unit essentially identical to that obtained by the Anchorage Fire Department at the original bid price, Chugiak Volunteer Fire Department may elect to modify the apparatus to better meet its needs. Any such modifications would reduce the final purchase cost below the original bid price.
