ASSEMBLY MEMORANDUM

No. AM 498 -2005

Meeting Date: July 26, 2005

From: Mayor

Subject: Appropriating Grant Funds from the Alaska Department of Environmental Conservation for Fine Particulate Monitoring by the Department of Health and Human Services

The accompanying Assembly Resolution appropriates the sum of Eighteen Thousand Five Hundred Dollars (\$18,500) from the Alaska Department of Environmental Conservation to the State Categorical Grants Fund (231) for fine particulate air pollution monitoring by the Department of Health and Human Services (DHHS). This appropriation funds monitoring operations from January 1, 2005 through June 30, 2005. No matching funds are required.

Over the past several years, the U.S. Environmental Protection Agency has provided on-going grant funding to States for monitoring fine particulate matter called PM-2.5. The Alaska Department of Environmental Conservation has delegated a portion of this monitoring responsibility to the Department of Health and Human Services. This grant will cover costs related to this additional monitoring. The Department of Health and Human Services also maintains an ambient air monitoring system for carbon monoxide and coarse particulate matter (PM-10) funded through a separate grant.
