AMC CHAPTER 3.97 NAMING OF MUNICIPAL BLDGS. ...**3.97.030 Procedures**

A. Preliminary action in naming a facility may be initiated by the mayor or a quorum of the assembly. If the assembly is the initiating organization, a proposal in letter format addressed to the mayor will be prepared. Upon receipt of an assembly request to name a facility or upon the mayor's decision to seek a name for a facility, the mayor will appoint a five-member citizen *panel* subject to assembly approval to review proposed names, to hold public hearings, and to identify an appropriate name for the facility. The citizen *panel* may be composed of members of recognized boards and commissions.

B. The facility naming *panel* will identify appropriate names for the facility. The *panel* may consider those names submitted by the mayor or the assembly or propose an alternative, taking care not to overlook the contributions of women and minorities to the city, state and nation. Geographic influences will be considered to the degree possible in selecting names for facilities. Upon agreement by a quorum of the *panel*, a letter advising the mayor shall be dispatched. The mayor will make the panel's letter an attachment to a resolution for consideration by the assembly. Memoranda as appropriate may be appended to the resolution to explain or amplify relevant information for the assembly.

C. The assembly will set the naming resolution for public hearing at least one month after introduction and ensure appropriate information dissemination to the public during this period.
