No. AM 842 -2005

Meeting Date: November 22, 2005

FROM: Mayor

SUBJECT: A Resolution Accepting and Appropriating a Federal Transit Administration (FTA) Section 5208 Grant to Provide for the Completion of a Multi-use ADA-compliant Trail Connection at Kincaid Park, Project No. 04-04 (\$846,377).

The Kincaid Park Trail Connection project involves the design and construction of approximately 1.7 miles of paved multi-use, ADA-compliant trail within Kincaid Park. Kincaid Park serves as the current terminus for the Coastal Trail. This new trail project will connect Kincaid Park and the Coastal Trail to the existing South Anchorage multi-use trail system. Currently, pedestrians and bicyclists entering the park via the main entrance must do so by riding or walking on the shoulder of the park road. The new trail will provide a safe avenue for trail users. The proposed trail connection is supported by the Parks & Recreation Division as well as various trail user groups and local Community Councils.

The Municipality has received FTA grant funds in the amount of \$846,377 which will be utilized to help fund this project's final design and construction. The required local match of \$211,594 comes from 2005 Anchorage Roads and Drainage Service Area Bonds.
