MUNICIPALITY OF ANCHORAGE
ASSEMBLY MEMORANDUM

No. AM 885-2005

Meeting Date: December 13, 2005

From: Mayor

Subject: Appropriation of insurance recovery revenues, received pursuant to the settlement of a vehicular accident property damages claim, to the Anchorage Fire Services Area Fund (131), Anchorage Fire Service Area Operating Budget, to pay the costs of repairing the damaged emergency response apparatus.

The requested resolution appropriates One Hundred Twelve Thousand Four Hundred Twenty Dollars (\$112,420) in insurance recovery revenues, received pursuant to the settlement of a vehicular accident property damages claim, to the Anchorage Fire Services Area Fund (131), Anchorage Fire Service Area Operating Budget, to pay the costs of repairing the damaged emergency response apparatus.

Truck 3, a platform equipped, 100 foot ladder fire/rescue apparatus, was extensively damaged in a vehicular accident last September. MOA Risk Management received the final insurance settlement in late October. The ladder extension requires significant repairs which will be performed by AFD maintenance personnel. The department requests this appropriation to expedite the order of needed parts and to begin the repair of this essential emergency response apparatus.

The corresponding detailed budget information is as follows:
