ASSEMBLY MEMORANDUM

No. AM 224 -2006

Meeting Date: April 11, 2006

FROM: Mayor

SUBJECT: Resolution Appropriating Funds from the Anchorage School District to the Anchorage Roads and Service Area Fund (441) for the Construction of a Student Drop-Off Loop at Abbott Loop Elementary School, Adjacent to the 84th Avenue Improvement Project, Project No. 02-02 (\$448,300)

The Anchorage School District (ASD) has requested that the Project Management & Engineering Department (PM&E) construct a student drop-off loop at Abbott Loop Elementary School in conjunction with the 84th Avenue Improvement project, which will commence in 2006. The attached resolution appropriates \$448,300 from ASD to the Anchorage Roads and Service Area Fund (441) for the drop-off loop construction.

It is in the best interests of both ASD and PM&E that the student drop-off loop project be incorporated into the 84th Avenue project because road foundation, pavement, and storm drain work associated with both projects is coincident in many places, therefore it is most prudent that all associated work be performed by a single general contractor.

THE ADMINISTRATION RECOMMENDS APPROVAL OF THE RESOLUTION APPROPRIATING \$448,300 FROM THE ANCHORAGE SCHOOL DISTRICT TO THE ANCHORAGE ROADS AND SERVICE AREA FUND (441) FOR THE CONSTRUCTION OF A STUDENT DROP-OFF LOOP AT ABBOTT LOOP ELEMENTARY SCHOOL, ADJACENT TO THE 84TH AVENUE IMPROVEMENT PROJECT.
